Establishing residence service

Visit your PhoneCenter Store
You can see all of our telephones at the PhoneCenter Store listed previously. You can take your telephone sets home and save part of the installation cost. You can pay your phone bill, pick up directories, or get answers to questions about your telephone service.
See page 4 for location.

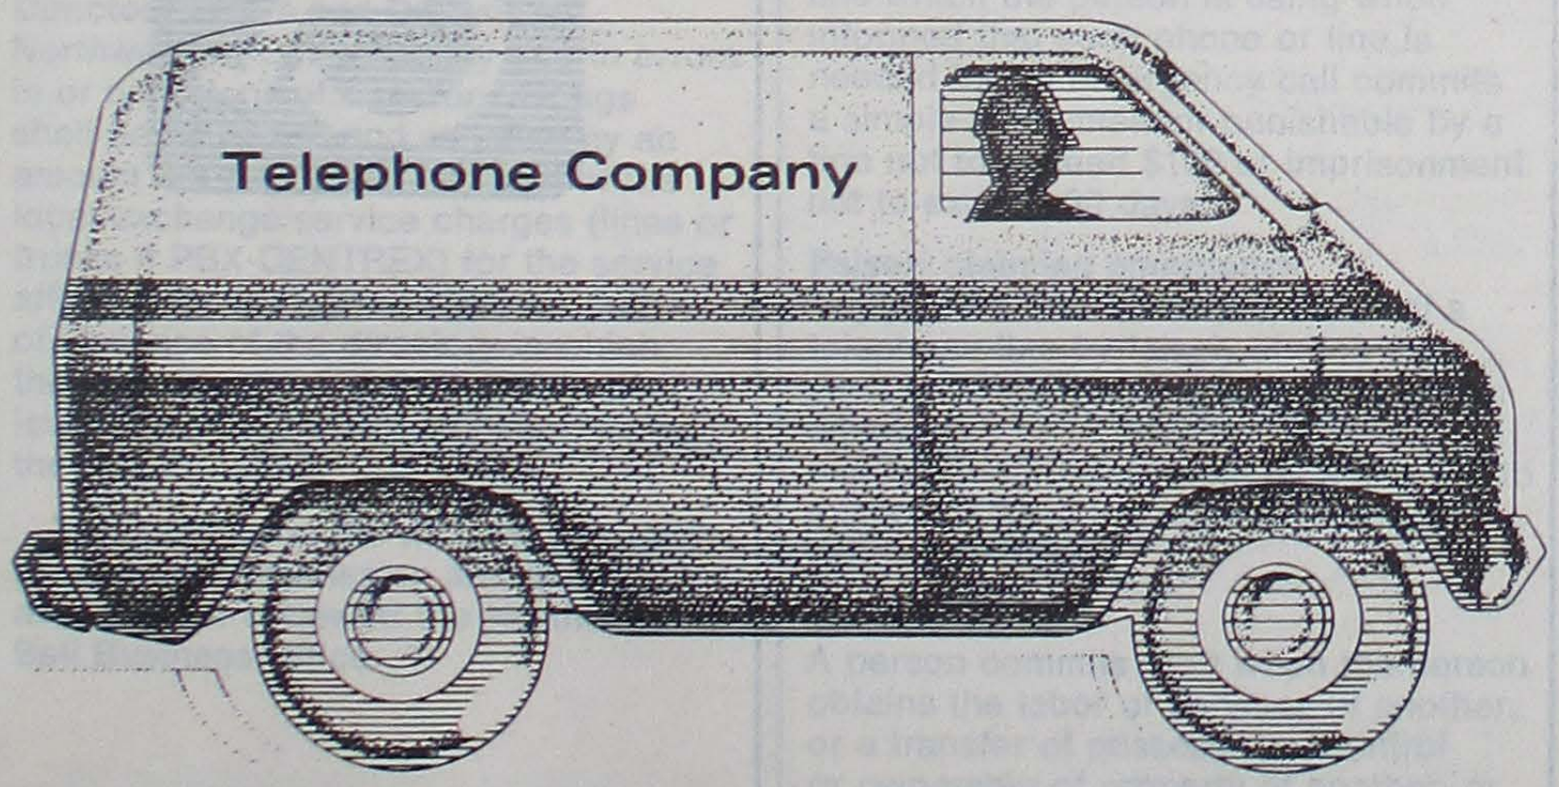

Call your Business Office
If you prefer to call us, service representatives in your Business Office can help with orders for service and equipment, billing matters, rates, and inquiries or complaints (other than repair). Our representatives and their supervisors are there to see that you are completely satisfied. See page 4 for your business office number.

Information needed for your order:
1. Complete address.
2. Type of telephone service desired.
3. How you would like your directory listing to appear. Two people with the same last name living at the same address can have their first names listed together at no charge.
4. Information about previous telephone service.
5. Other credit information, including employment.

A deposit may be required
Your telephone company may require a deposit if you have had a poor payment record with any Bell System telephone company.

Deposits earn 7% interest
A deposit, with seven percent simple interest per year, is refunded within one year if your phone bills are paid by the date listed on the bill. The deposit is held as security if credit has not yet been established. If telephone service is disconnected, the deposit with interest is applied to your final bill. Interest may vary among companies.

Prompt payment means good credit
Your credit standing is determined by your promptness in paying your telephone bill. Payments should be received at the telephone company by the payment date on your bill. No telephone credit information is given out to other businesses.

Northwestern Bell monthly residence rates

These rates are for towns served by Northwestern Bell only. For other towns residence rates, check with the telephone company providing local service.

Town	One-Party	Two-Party
Ames	8.60	6.80

Rates for customers outside of the base rate areas listed above may vary. Check with your telephone company for rates.

	Monthly Rate
Telephone Extension	1.45
Princess phone (dial)	1.40
Trimline phone (dial)	1.85
Princess phone (Touch-Tone)	2.40
Trimline phone (Touch-Tone)	2.60
Touch-Tone (per regular phone)	1.00
Touch-Tone (per line)	1.05
Volume control	1.00
Additional directory listing	.50

Rates on this page are scheduled to become effective on January 1, 1981 and are subject to change.

Charges to install and change your residence service

The Northwestern Bell one-time charges to install or change your service may vary, depending on the type of work that is done.
Here is how we figure the charges:

Service order (new service) $10.00
Service order (subsequent) $7.00
You are charged for the processing of your order when you install or make changes in telephone service.

Central office connection charge $10.00
This charge is for the work we do to connect your line to our switching office.

Home visit charge $5.00
This is the charge you pay when the installer visits your home.

Home wiring charge (per outlet if applicable) $12.00
You pay this charge when we install, move or change the wiring in your home.

Jack installation charge $5.00
This charge applies for each jack installed.

Equipment connection charge $6.00
This charge applies for each telephone that the installer connects to the line in your home.

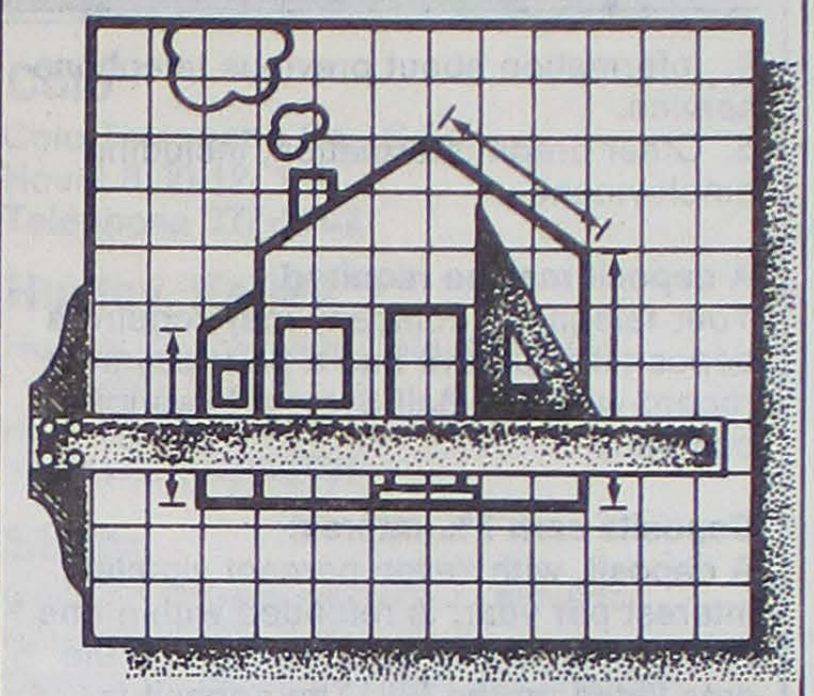

The Northwestern Bell rates on these pages were correct as of the date this directory was printed. Current rates and charges are always available from your Business Office or PhoneCenter Store.

No charge to disconnect service
There is no charge to disconnect service. Call your Service Representative to disconnect your phone. If you wish, charges can be stopped the day you call.

Rates on this page are scheduled to become effective on January 1, 1981 and are subject to change.

25051 © Northwestern Bell Telephone Company 1980

We'll pre-wire a new home or addition
If you are building a new home or remodeling your home, we can install telephone wires as the wall is put up. Often this means your telephones can be installed more neatly. Call your Northwestern Bell business office for this service.

Optional services at additional charge

Current rates and charges are available from your Service Representative. Call your Northwestern Bell Business Office.

Non-published number
Your number is not in the directory and is not available through Directory Assistance.

Touch-Tone® Service (where available)
Push-button calling.

Telephone services for disabled people

Telecommunications Center for Disabled Customers
If you or someone you know have a disability or have difficulty using standard telephone service, call the Telecommunications Center for Disabled Customers. We can recommend equipment and services for customers with hearing, speech, vision or motion impairments, and for students confined to their homes. Or, we will do our best to help design an effective solution. Customers using Telecommunications Devices for Deaf Customers (TDDs)* may contact the Center about any aspect of telephone service — including telephone repair service. To reach us, call **1+800+328-8338** (toll-free) by telephone or TDD between 8 a.m. and 5 p.m. weekdays. After business hours, an answering device will record TDD messages.

*formerly called teletypewriters or TTYs

Operator Services Center for TDD Customers
Starting July 1, 1980, Northwestern Bell will provide operator assistance to its customers who use Telecommunications Devices for Deaf Customers (TDDs). Any TDD user making credit card, collect, directory assistance or other operator-assisted calls should call **1-800-855-1155.** This number may also be used for after-hour repair service.

Consumer rights

How to complain
Your Northwestern Bell Service Representative has a basic responsibility to answer your questions and resolve your problems. If you're not satisfied, feel free to ask for a Supervisor or the manager. The telephone industry is one of the regulated utilities under the jurisdiction of the Iowa State Commerce Commission. If you cannot get your problem resolved, you may refer your complaint to:
Iowa State Commerce Commission
300 4th Street
Des Moines, Iowa 50319
(515) 281-5979

How to get credit for loss of service
If you have reported that you are unable to make or receive calls and your phone is out of service more than 24 hours, you are entitled to a credit on your next bill for the local service charges. Call your Northwestern Bell business office.

Consumer responsibilities

Providing your own equipment
Under the Federal Communications Commission's registration program, you may supply your own telephone or other terminal equipment and connect it directly to the nationwide telephone network.

The equipment must be approved by the FCC and you are responsible for its proper connection, maintenance and repair. FCC rules also require that you notify the telephone company before connecting your equipment.

Private equipment may not be connected to coin phone service and party lines.

Directory Errors and Omissions
Northwestern Bell's liability due to errors in or omissions of directory listings shall be limited to and satisfied by an amount not exceeding one-half of the local exchange service charges (lines or trunks if PBX-CENTREX) for the service affected for the period from the date of issuance of the directory in which the mistake occurred to the date of issuance of a new directory containing the proper listing.

This tariff is on file with the Iowa State Commerce Commission and is also available for review at the Northwestern Bell Business Office.

How to handle obscene or harassing calls

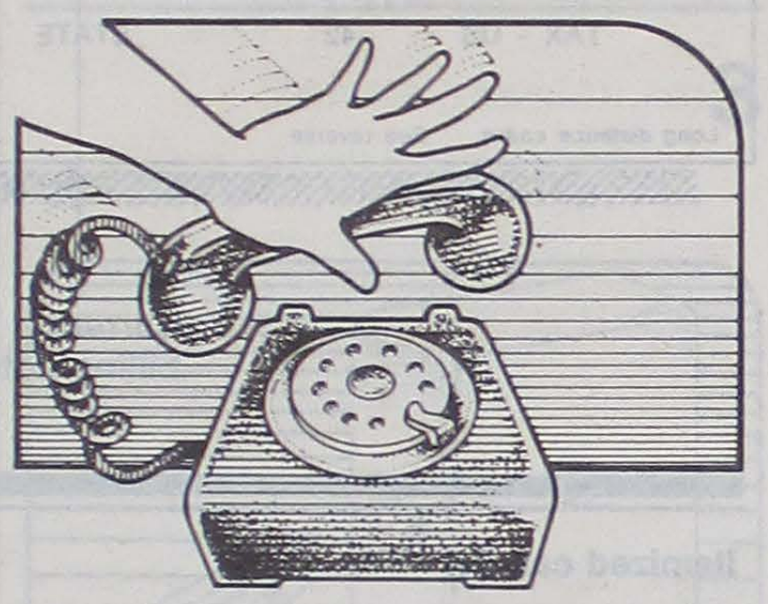

If you receive obscene, harassing or threatening calls, follow these suggestions:

1. Hang up at the first obscene word or if the caller doesn't say anything the second time you say hello.

2. Give no information such as your name and address until the caller has been identified.

3. Advise your children to give no information to strangers. If you're not home, they should say "Mother/Father can't come to the phone right now."

4. If calls persist call your Business Office or your Police Department.

Unlawful uses of the telephone

Obstructing emergency phone calls
An emergency call is any call to a Fire Department or Police Department for aid, or a call for medical aid or ambulance service, when human life or property is in jeopardy and prompt summoning of aid is essential. Any person who fails to relinquish any telephone or telephone line which the person is using when informed that such phone or line is needed for an emergency call commits a simple misdemeanor punishable by a fine not to exceed $100 or imprisonment not to exceed 30 days.

Falsely claiming emergency
Any person who secures the use of a telephone line by falsely stating that such telephone or line is needed for an emergency call commits a simple misdemeanor punishable by a fine not to exceed $100 or imprisonment not to exceed 30 days.

Theft
A person commits theft when the person obtains the labor or services of another, or a transfer of possessions, control or ownership of property of another, or the beneficial use of property of another, by deception. (Obtaining telephone equipment or services, or the beneficial use of said equipment or services under false pretenses may constitute theft. The maximum penalty for such violation may be a term of imprisonment for no more than 10 years, and in addition, a fine of not more than $5,000.)

Harassment
Intentional communication with another by telephone, without legitimate purpose in a manner likely to cause the other person annoyance or harm is punishable by a fine not to exceed $100 or imprisonment not to exceed 30 days.

Recorded calls require a beep tone
If your conversation is being recorded for business or other reasons you will hear a beep tone every 15 seconds. Use of a recorder without a recorder-connector containing a beep tone warning device is not permitted, except on emergency reporting systems, including police and fire department lines.

For your protection

If you lose your credit card
If your long distance credit card is lost, stolen or destroyed, report the problem to your Northwestern Bell Business Office, Mon.-Fri., 8:30 to 5:00 P.M. (See page 4 for your Business Office number). You will not be charged for calls you did not make. Arrangements will be made to issue you a new credit card.

Our employees carry company identification cards
For your safety every Northwestern Bell employee is required to carry an identification card showing his or her name, and a photograph. If you have any doubt whether people are from the phone company, please ask to see their card.

How to connect or disconnect your phones

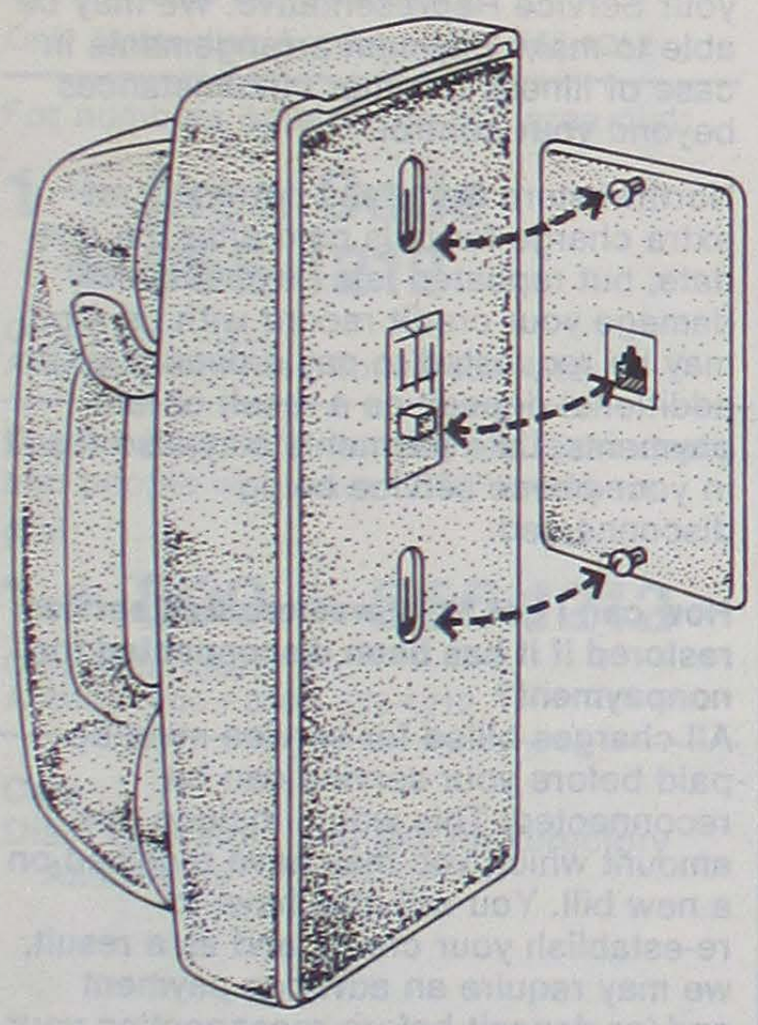

9

These drawings show you how to install or disconnect your telephones.

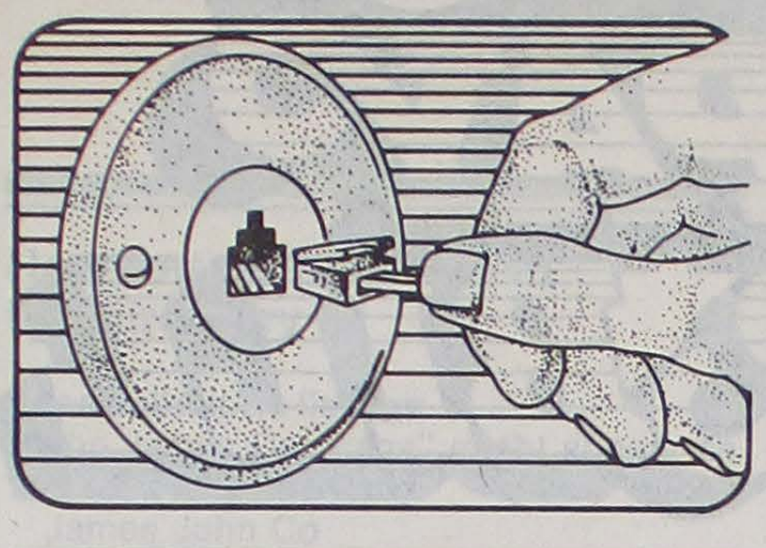

Drawings one through four show standard wall sockets, or jacks, for modular telephone cords. To install your phone, match the plug at the end of the cord with the jack, and insert. To disconnect your phone, squeeze the clip on the plug and pull it out of the jack.

Drawings five and six show different kinds of jacks, called non-standard jacks. You can use these with modular phones by putting an adapter in between. Plug the adapter into the jack, then plug the cord into the adapter.

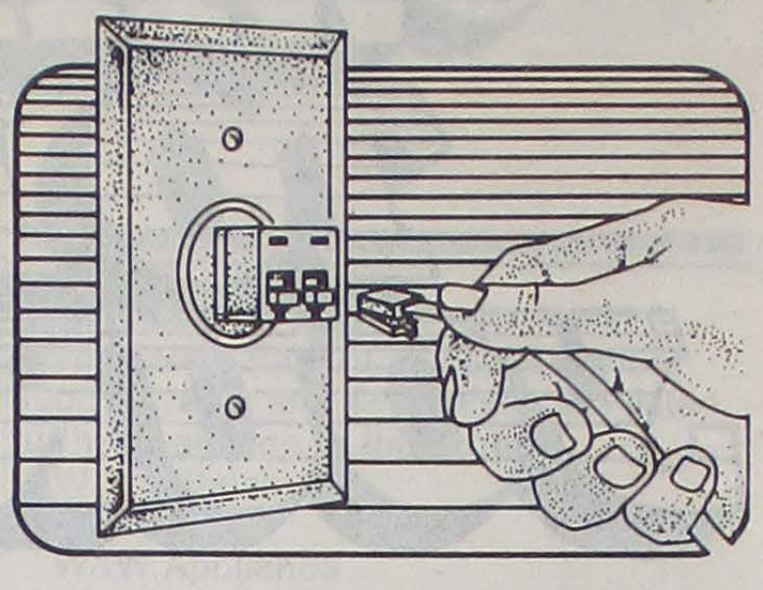

A jack for a wall mounted telephone is shown below. To connect your wall phone, match the holes in the back of the phone with the rivets on the wall mounting. Push the phone lightly against the mounting and slide it down into place. To disconnect, slide the phone up to lift off the rivets, then pull it away from the wall.

WHERE TO PAY YOUR BILL

You can pay your bill by mail or in person at your telephone company business office. Your business office address is shown on page 4 of the Customer Guide.

A return envelope is included with each monthly bill from Northwestern Bell. Please include our copy of the bill with your payment or note your telephone number on your check.

Northwestern Bell customers have a night depository located at the business office entrance at 509 Main in Ames for after-hours payments.

You can also pay your bill at:

AMES, GILBERT, NAPIER

Telephone Company Office,
509 Main, Ames
8:30 - 5:00 Mon.-Fri.

Campus Book Store, 2300
Lincoln Way, Ames
8:30 - 5:30 Mon.-Sat.

QUESTIONS ABOUT YOUR BILL

How am I billed?
Charges for Northwestern Bell local service and equipment are billed one month in advance. Long distance and telegrams are billed from the last bill date through the day prior to the current bill date; charges for installing or changing equipment are billed the same way.

What is the Due-by-Date?
This is the date by which Northwestern Bell should have your payment.

What happens if I can't pay my bill on time?
If you can't pay by the Due-by-Date call your Service Representative. We may be able to make payment arrangements in case of illness or other circumstances beyond your control.

Northwestern Bell does not apply an extra charge for bills paid after the due date, but repeated late payments may damage your credit record with us. You may be requested to pay a deposit or an additional deposit as a result of late payments. Late payments may also result in your phone service being disconnected.

How can I get Northwestern Bell service restored if it has been disconnected for nonpayment?
All charges billed for service must be paid before your service can be reconnected. This would include any amount which you may have received on a new bill. You will also have to re-establish your credit, and as a result, we may require an advance payment and/or deposit before reconnecting your service. You must also pay a charge to have your service reconnected.

What should I do about questions or mistakes on my bill?
Call your Service Representative who can answer questions, investigate possible errors and provide information about bills. Your Service Representative's telephone number is on your bill.

Directory Assistance

How to call Directory Assistance

Ames, Gilbert, Napier, Huxley, Kelley (for off-campus numbers)

1411

For campus numbers or student location
294-4111
Only Slater dial: Access code + 411

For numbers within the 515 area dial:

1 + 555-1212

Only Slater dial: Access code + 555-1212

For numbers outside the 515 area dial:

1 + Area Code + 555-1212

Only Slater dial:
Access code + Area Code + 555-1212

For the telephone numbers of businesses and people who have "800" numbers dial:

1 + 800 + 555-1212

Only Slater dial:
Access code + 800 + 555-1212

Colo
Dial "Operator" and ask for Directory Assistance

How to find numbers in the directory

Check alternate listings
"John James Company" might appear as "James John Company."

James John Co
Jensen A R
John James Co
Johnson C L

Government listings follow name of state, county or city
For federal agencies look under "United States Government." State, county and city government listings are alphabetical.

Ames, City of
Story, County of
Iowa, State of

Numbers are spelled out
If used as names, numbers are alphabetized as if the word were spelled out. For example, to find "21 Cleaners" look under "Twenty-One Cleaners."

Twelves M A
Twenty-One Cleaners
21 Market Bldg
Two by Six
Twohy R M

Letters used in names
Names consisting of all capital letters such as radio and TV stations are listed at the beginning of the section.

W Ace Sales
WABD
W&W Appliance
Wabash, D

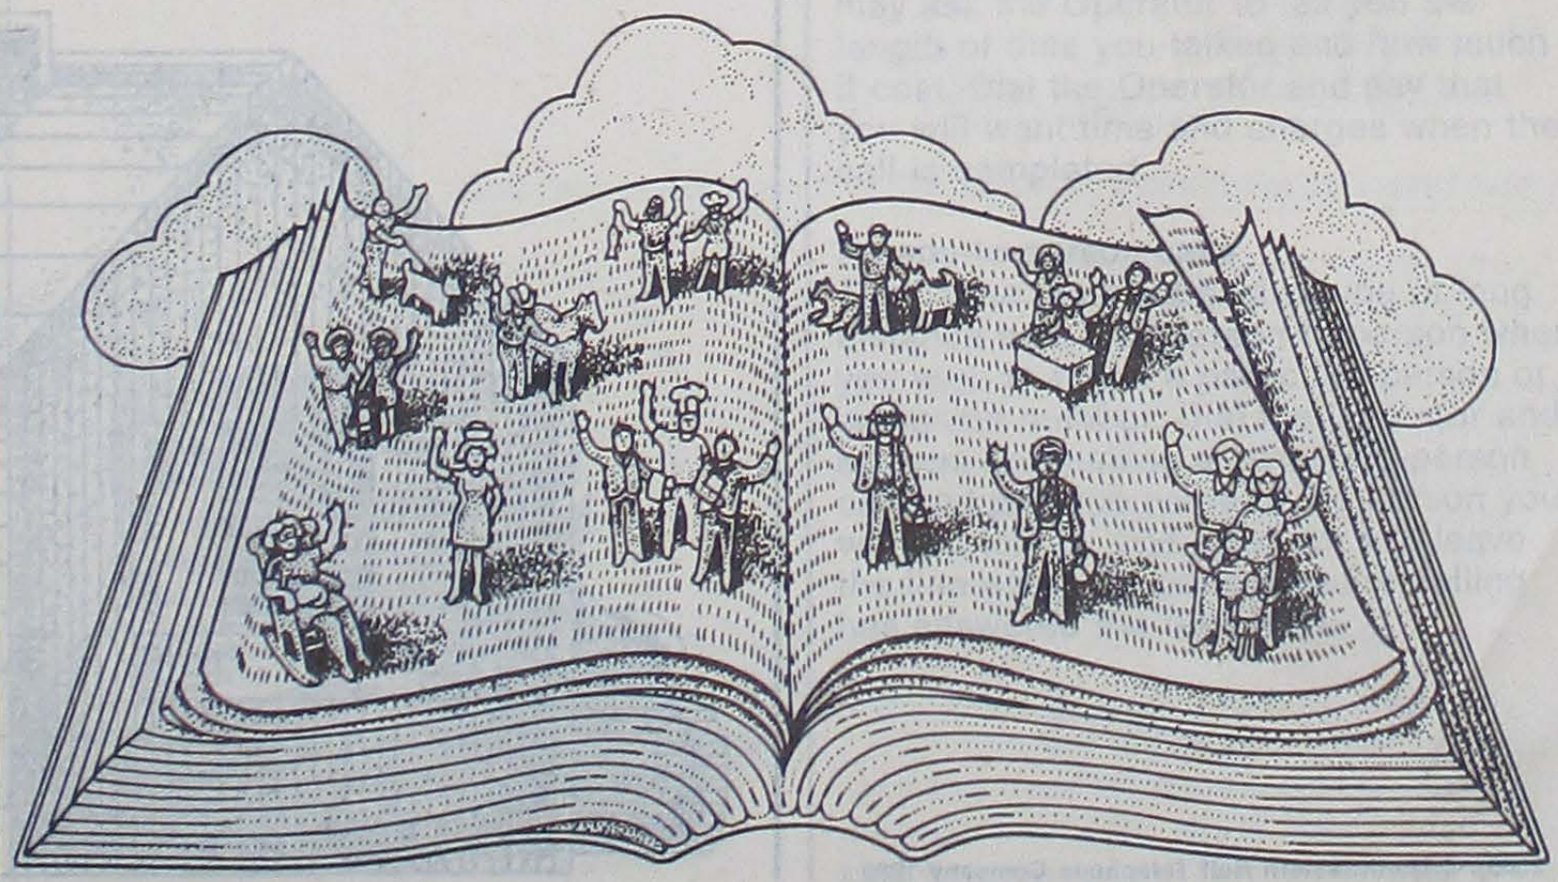

When letters precede a full name, also check the beginning of the section. For example, "A-1 Garage Inc" would be among the first listings in the "A" section.

A-1 Garage Inc
A&M Sandwich Shop

"The" usually follows a company name
For example, "The Brown Fabric Company" would be listed as "Brown Fabric Company, The."

Brown F D
Brown Fabric Co, The
Brown Frank
Browne B A

Spelling variations are cross referenced
Cross references are shown in the directory above the listing. Often names can be spelled different ways. Johnson for example can appear as "Johnsen," "Johnston," "Johnstone," or "Jonson."

25051 © Northwestern Bell Telephone Company 1980

LONG DISTANCE CALLING

13

For only Ames, Gilbert, Napier, Huxley, Kelley

with numbers beginning 232, 233, 239, 292, 294, 296, 597, 769.

Dialing direct costs less

By dialing your own long distance calls, you will pay the lowest rate and pay for only the minutes you talk (one-minute minimum).

To place a direct-dialed call:

within the 515 area, dial

1 + the telephone number

outside the 515 area, dial

1 + the Area Code + the telephone number

Credit for poor connections or wrong numbers

When you dial long distance and reach a wrong number, have a poor connection or other problems, hang up and dial **"O"** (Operator) right away. Explain what happened so the Operator can arrange for the proper credit. The faster the problem is reported, the easier it will be to give you credit.

If you have trouble dialing directly, call the Operator and explain the difficulty. The call will be placed for you, and you will be charged at the direct-dialed rate.

Operator-assisted calls cost more

Long distance calls requiring an Operator are more expensive. The minimum charge for an operator-assisted call is three minutes. Calls placed from hotels and coin telephones as well as the types of calls listed in the next column are all operator-assisted calls.

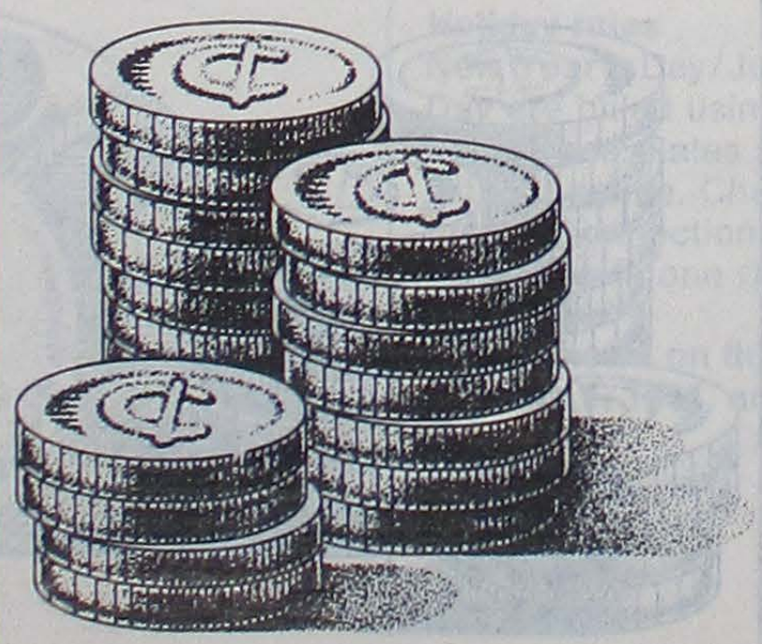

To place an operator-assisted call:

within the 515 area, dial

0 + the telephone number

outside the 515 area, dial

0 + the Area Code + the telephone number

Types of operator-assisted calls

Collect calls
You may call collect if the person or firm you are calling agrees to pay the charges. Dial the Operator and say you're placing a collect call and give your name. The Operator will leave the line when the person you've called accepts the charges.

Credit card calls
If you have a telephone credit card you can have long distance calls charged to your regular monthly telephone bill. Dial the Operator and say you are placing a credit card call and give your credit card number. Credit cards may be obtained from your Business Office at no charge.

Third-number calls
You may have long distance charges billed to an authorized third telephone number. Dial the Operator and say you'd like to charge your call to a third number and give the Operator that number including the Area Code.

Time and Charges
When placing a long distance call you may ask the Operator to tell you the length of time you talked and how much it cost. Dial the Operator and say that you will want time and charges when the call is completed.

Person-to-person calls
This is the most expensive type of long distance call. Call person-to-person when you wish to reach a particular person or extension number. Dial the Operator and say you are making a person-to-person call and give the name of the person you want to talk to. The Operator will leave the line when the person you're calling has answered the telephone.

25051 © Northwestern Bell Telephone Company 1980

LONG DISTANCE CALLING

14

For Alleman, Colo, Sheldahl and Slater

Dialing direct costs less

By dialing your own long distance calls, you will pay the lowest rate and pay for only the minutes you talk (one-minute minimum).

To place a direct-dialed call:

within the 515 area, dial

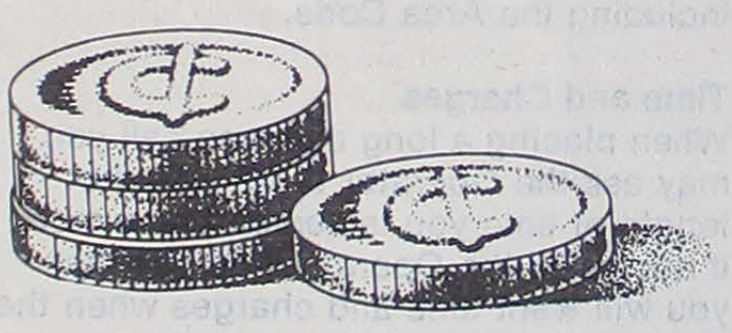

1 + the telephone number

(Alleman, Sheldahl, Slater — Dial 1 + access number + telephone number)

outside the 515 area, dial

1 + the Area Code + the telephone number

(Alleman, Sheldahl, Slater — Dial 1 + access number + area code + telephone number)

Credit for poor connections or wrong numbers

When you dial long distance and reach a wrong number, have a poor connection or other problems, hang up and dial **"O"** (Operator) right away. Explain what happened so the Operator can arrange for the proper credit. The faster the problem is reported, the easier it will be to give you credit.

If you have trouble dialing directly, call the Operator and explain the difficulty. The call will be placed for you, and you will be charged at the direct-dialed rate.

Types of operator-assisted calls

Collect calls

You may call collect if the person or firm you are calling agrees to pay the charges. Dial the Operator and say you're placing a collect call and give your name. The Operator will leave the line when the person you've called accepts the charges.

Credit card calls

If you have a telephone credit card you can have long distance calls charged to your regular monthly telephone bill. Dial the Operator and say you are placing a credit card call and give your credit card number. Credit cards may be obtained from your Business Office at no charge.

Third-number calls

You may have long distance charges billed to an authorized third telephone number. Dial the Operator and say you'd like to charge your call to a third number and give the Operator that number including the Area Code.

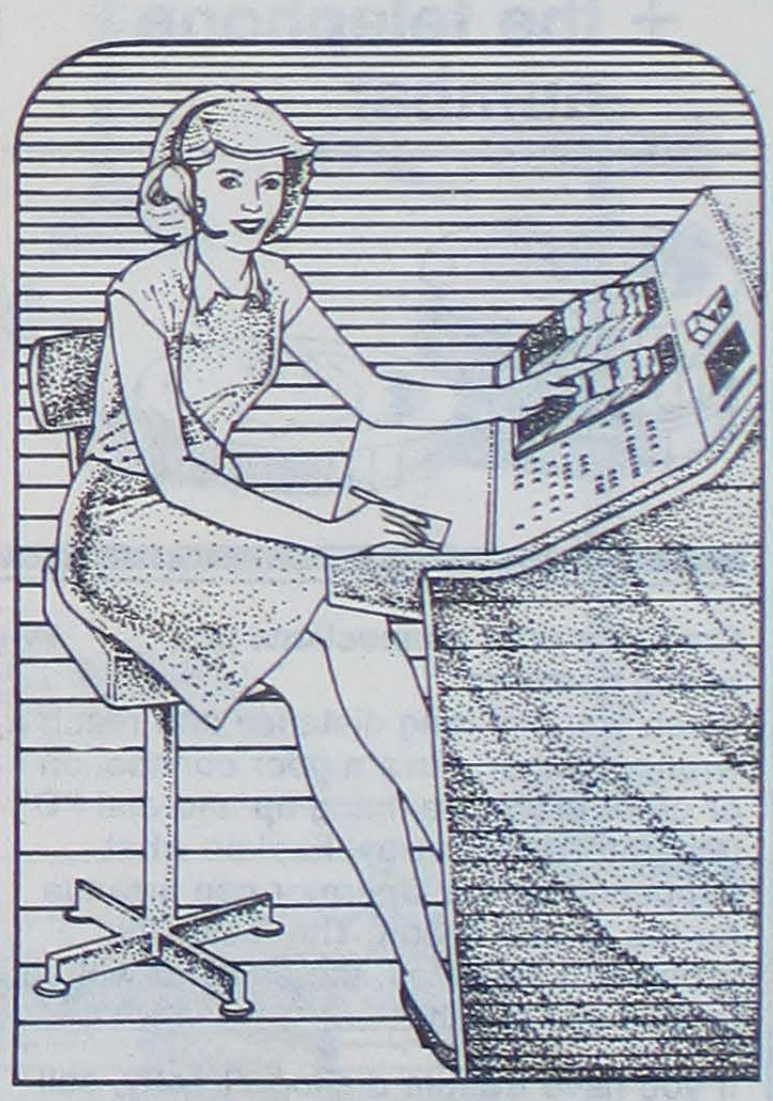

Time and Charges

When placing a long distance call you may ask the Operator to tell you the length of time you talked and how much it cost. Dial the Operator and say that you will want time and charges when the call is completed.

Person-to-person calls

This is the most expensive type of long distance call. Call person-to-person when you wish to reach a particular person or extension number. Dial the Operator and say you are making a person-to-person call and give the name of the person you want to talk to. The Operator will leave the line when the person you're calling has answered the telephone.

LONG DISTANCE CALLING

Rates within Iowa

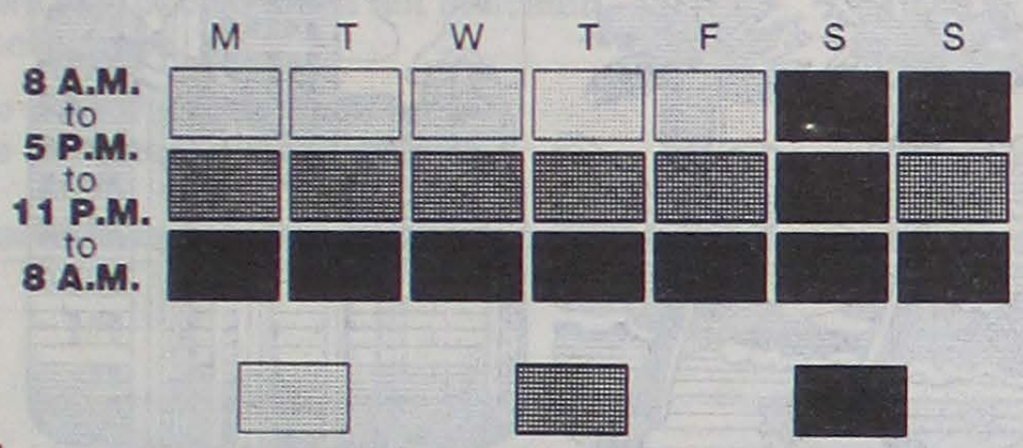

Lowest rates — dial-direct one-minute rates

Dial-direct calls are those completed from a residence or business phone without operator assistance.

Dial-direct rates also apply on calls placed with an Operator from a residence or business phone where dial-direct facilities are not available.

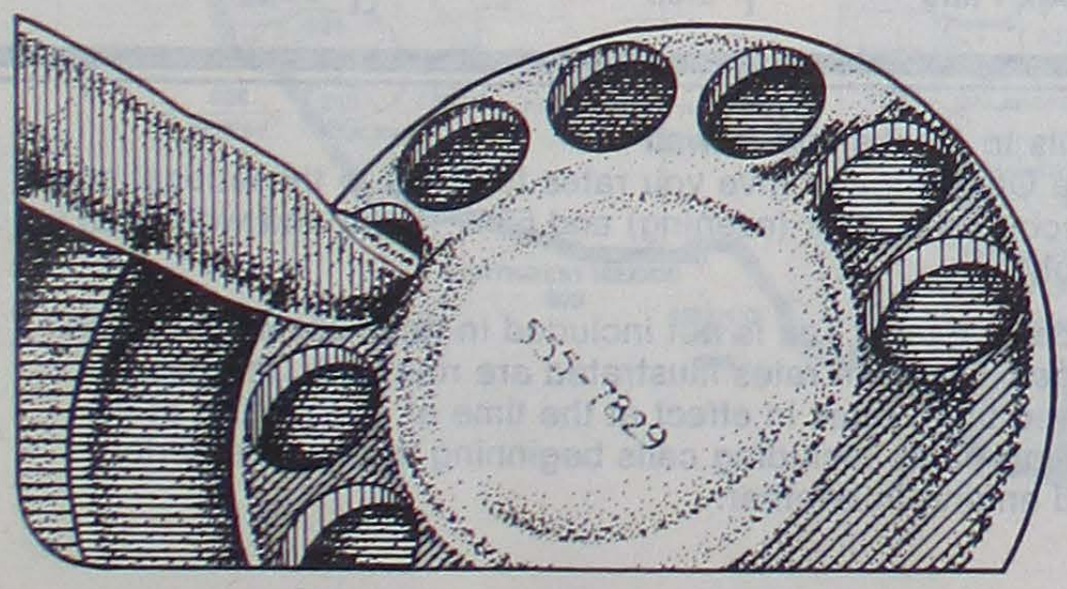

On dial-direct calls, **you pay only for the minutes you talk.** The initial rate period is **one minute** any time of day or night.

Additional savings apply evenings, nights and weekends.

Highest rates — operator-assisted three-minute rates

Operator-assisted calls are those requiring the assistance of an Operator to complete the call. These include person-to-person, coin, collect, credit card, billed to a third number, hotel guest, and time and charge calls.

The initial period for all operator-assisted calls is **three minutes,** and the full (weekday) rates apply all days at all hours.

Additional minutes are charged at dial-direct rates, and include the same discount applicable to the time period when you call.

Holiday rates
New Year's Day/July 4th/Labor Day/Thanksgiving/Christmas Day are billed using the evening rate. A federal tax applies to all charges. Rates and periods indicated are subject to change without notice. Charges are based upon rates in effect at the time of connection at the calling point. This also includes calls beginning in one rate period and ending in another.

Rates shown on this page are scheduled to become effective January 1, 1981, and are subject to change.

LONG DISTANCE CALLING

Rates to other states

Lowest rates — dial-direct one-minute rates

Dial-direct calls are those interstate calls (excluding Alaska and Hawaii) completed from a residence or business phone without operator assistance.

Dial-direct rates also apply on calls placed with an Operator from a residence or business phone where dial-direct facilities are not available.

On dial-direct calls, **you pay only for the minutes you talk.** The initial rate period is **one minute** any time of day or night.

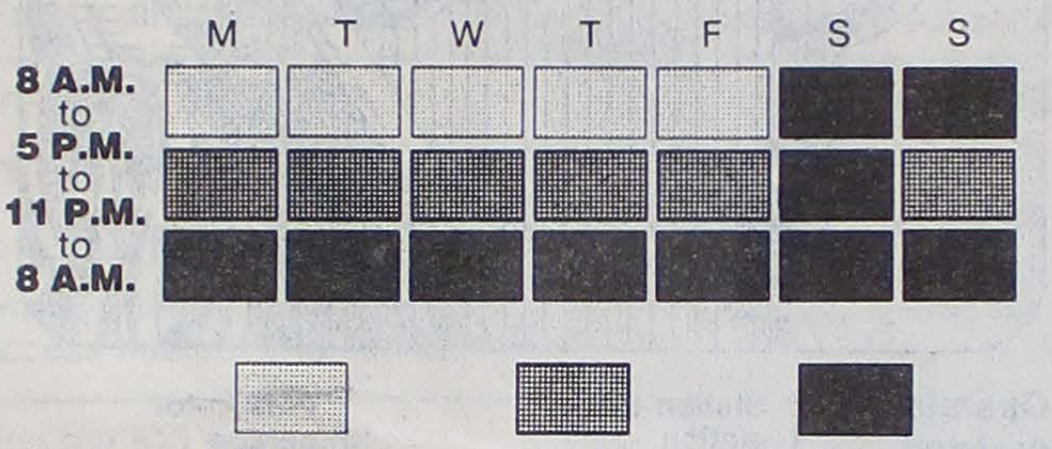

Highest rates — operator-assisted three-minute rates

Holiday rates
New Year's Day/July 4th/Labor Day/Thanksgiving/Christmas Day. On these legal holidays, the evening rate applies all day on dial-direct calls unless a lower rate would normally apply (nights & weekends). On operator-assisted calls, the dial-direct discount rate applies only on additional minutes.

Rates on this page became effective on June 6, 1980 and are subject to change.

Calls to Alaska and Hawaii
The Operator can give you rates for calls to these locations. Discounts of 30% (evening) and 55% (night and weekend) apply.

Federal Excise Tax is not included in rates shown on these pages. Discount rates illustrated are rounded. Charges are based upon rates in effect at the time of connection at the calling point, including calls beginning in one rate period and ending in another.

LONG DISTANCE CALLING

Area Codes and Time Zones

Iowa Area Codes

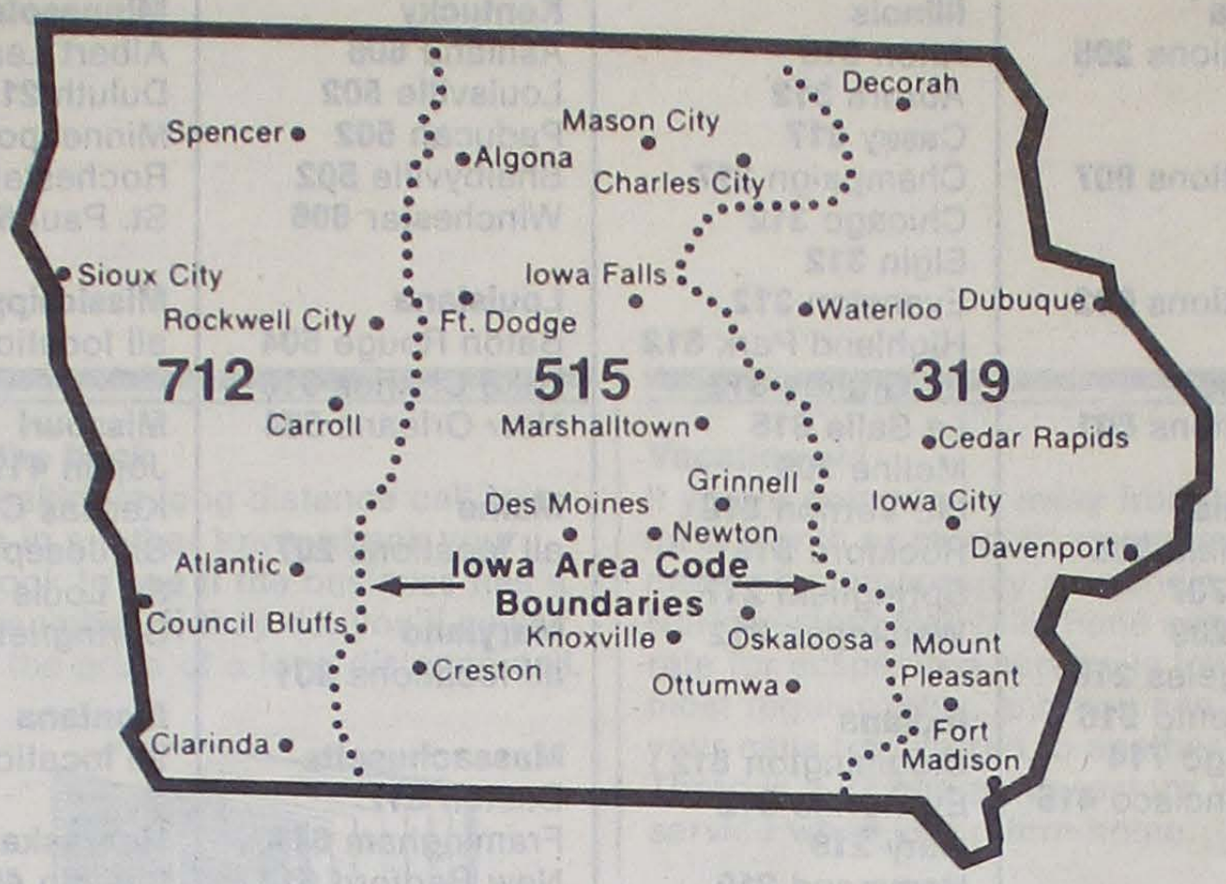

Each area has a three-digit Area Code. The Area Code for this directory is indicated on the front cover and on your telephone.

The Area Code of the telephone you are calling should be dialed, or given to the Operator if it is different from the Area Code of the telephone you are using. It should not be used if both Area Codes are the same.

When you give someone your telephone number, include your Area Code — it might be needed to place a call to you.

Consult Area Code list on page that follows for specific cities not indicated on these maps.

If you want the Area Code for a place not listed, dial the Operator.

Money Saving Tips

Call during bargain times
Rates on direct dial long distance calls are lower during evening, night and weekend hours. Also, take advantage of holiday rates on New Year's Day, July 4th, Labor Day, Thanksgiving and Christmas Day. See the rates on pages 14 and 15.

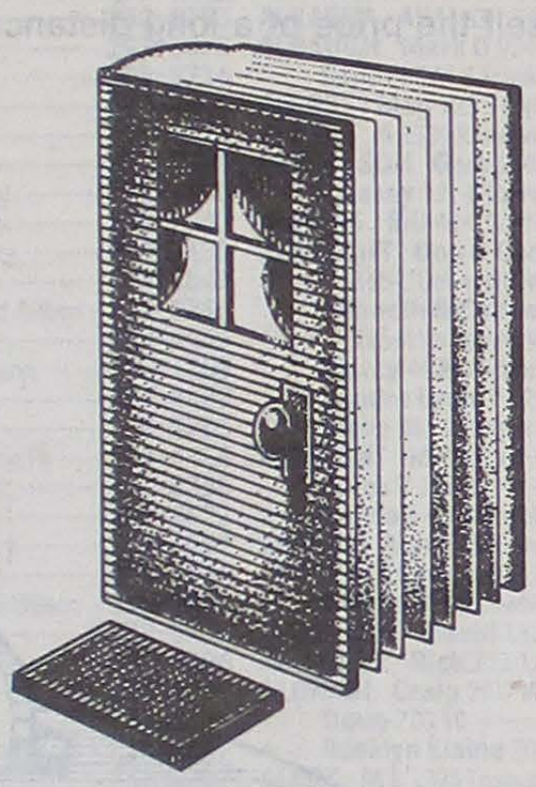

The Hawkeye State Plan
If you frequently call long distance within an approximate 30-mile radius, The Hawkeye State Plan may be of interest to you. For a $1.00 monthly charge plus a one time service order charge, after 12 noon on weekdays and all day Saturday and Sunday, long distance calls you dial yourself to nearby communities in Iowa will be discounted 25%. Call your business office for more information.

Ask for coin phone refund
If one of our coin phones collects your money but you don't talk to anyone, report it by dialing the **"O"** (Operator) from another phone. We'll see that the phone gets fixed and mail you a refund.

25051 © Northwestern Bell Telephone Company 1980

Look in the book
Before making a long distance call to a business in another town, check your phone book to see if the business has a toll-free number. If they do, you'll save yourself the price of a long distance call.

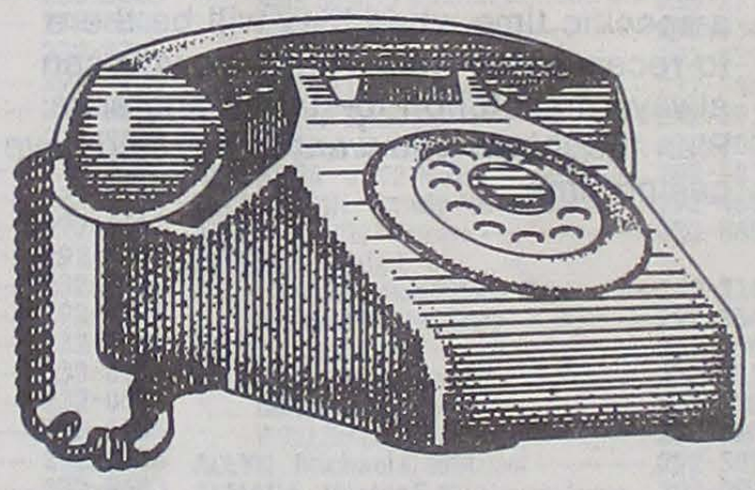

Dial direct and save
It costs less when you dial long distance calls yourself.

Collect, credit card and coin phone calls require the services of an Operator; so do requests for time and charges and calls billed to another number. Calling person-to-person always costs the most.

Ask for credit on poor connection
If you have a poor connection or are cut off on a long distance call, both parties should hang up. If you made the call, tell the Operator and ask to be reconnected. You will also get an adjustment.

Vacation aid
If you're going to be away from home for a month or more, you can save money by temporarily suspending your Northwestern Bell telephone service. The rate for suspended service is lower than most regular rates, and you can have your calls transferred to another number. There is a $7 charge to restore your service when you return home.

Extra equipment costs more
If you're on a limited budget, consider having only one rotary dial phone for your home. Telephone service without Touch-Tone dialing, extension phones, or additional services saves money. You still have a variety of colors and wall or desk models to choose from at no extra charge.

Ask for credit for wrong numbers
When you dial long distance and reach a wrong number, hang up and dial **"O"** (Operator) right away. Explain what happened so the Operator can arrange for the proper credit. The faster the problem is reported, the easier it will be to give you credit.

If you are billed for a long distance call that you did not make, call your Service Representative.

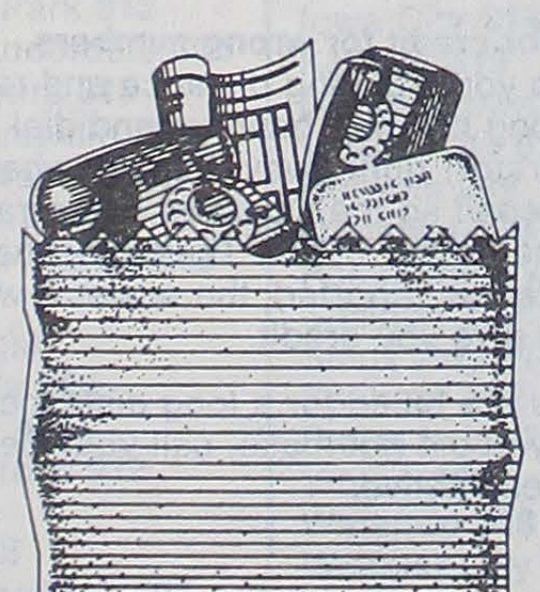

Order service at the PhoneCenter Store

You can save part of the installation costs by going to the PhoneCenter Store and picking up your telephones.

PhoneCenter Store

Schedule and plan your calls

If you call someone frequently, try to set a specific time when they will be there to receive your call. That way, you can always dial station-to-station and save. Plan the things you want to say and save calling time.

Check for a toll free number

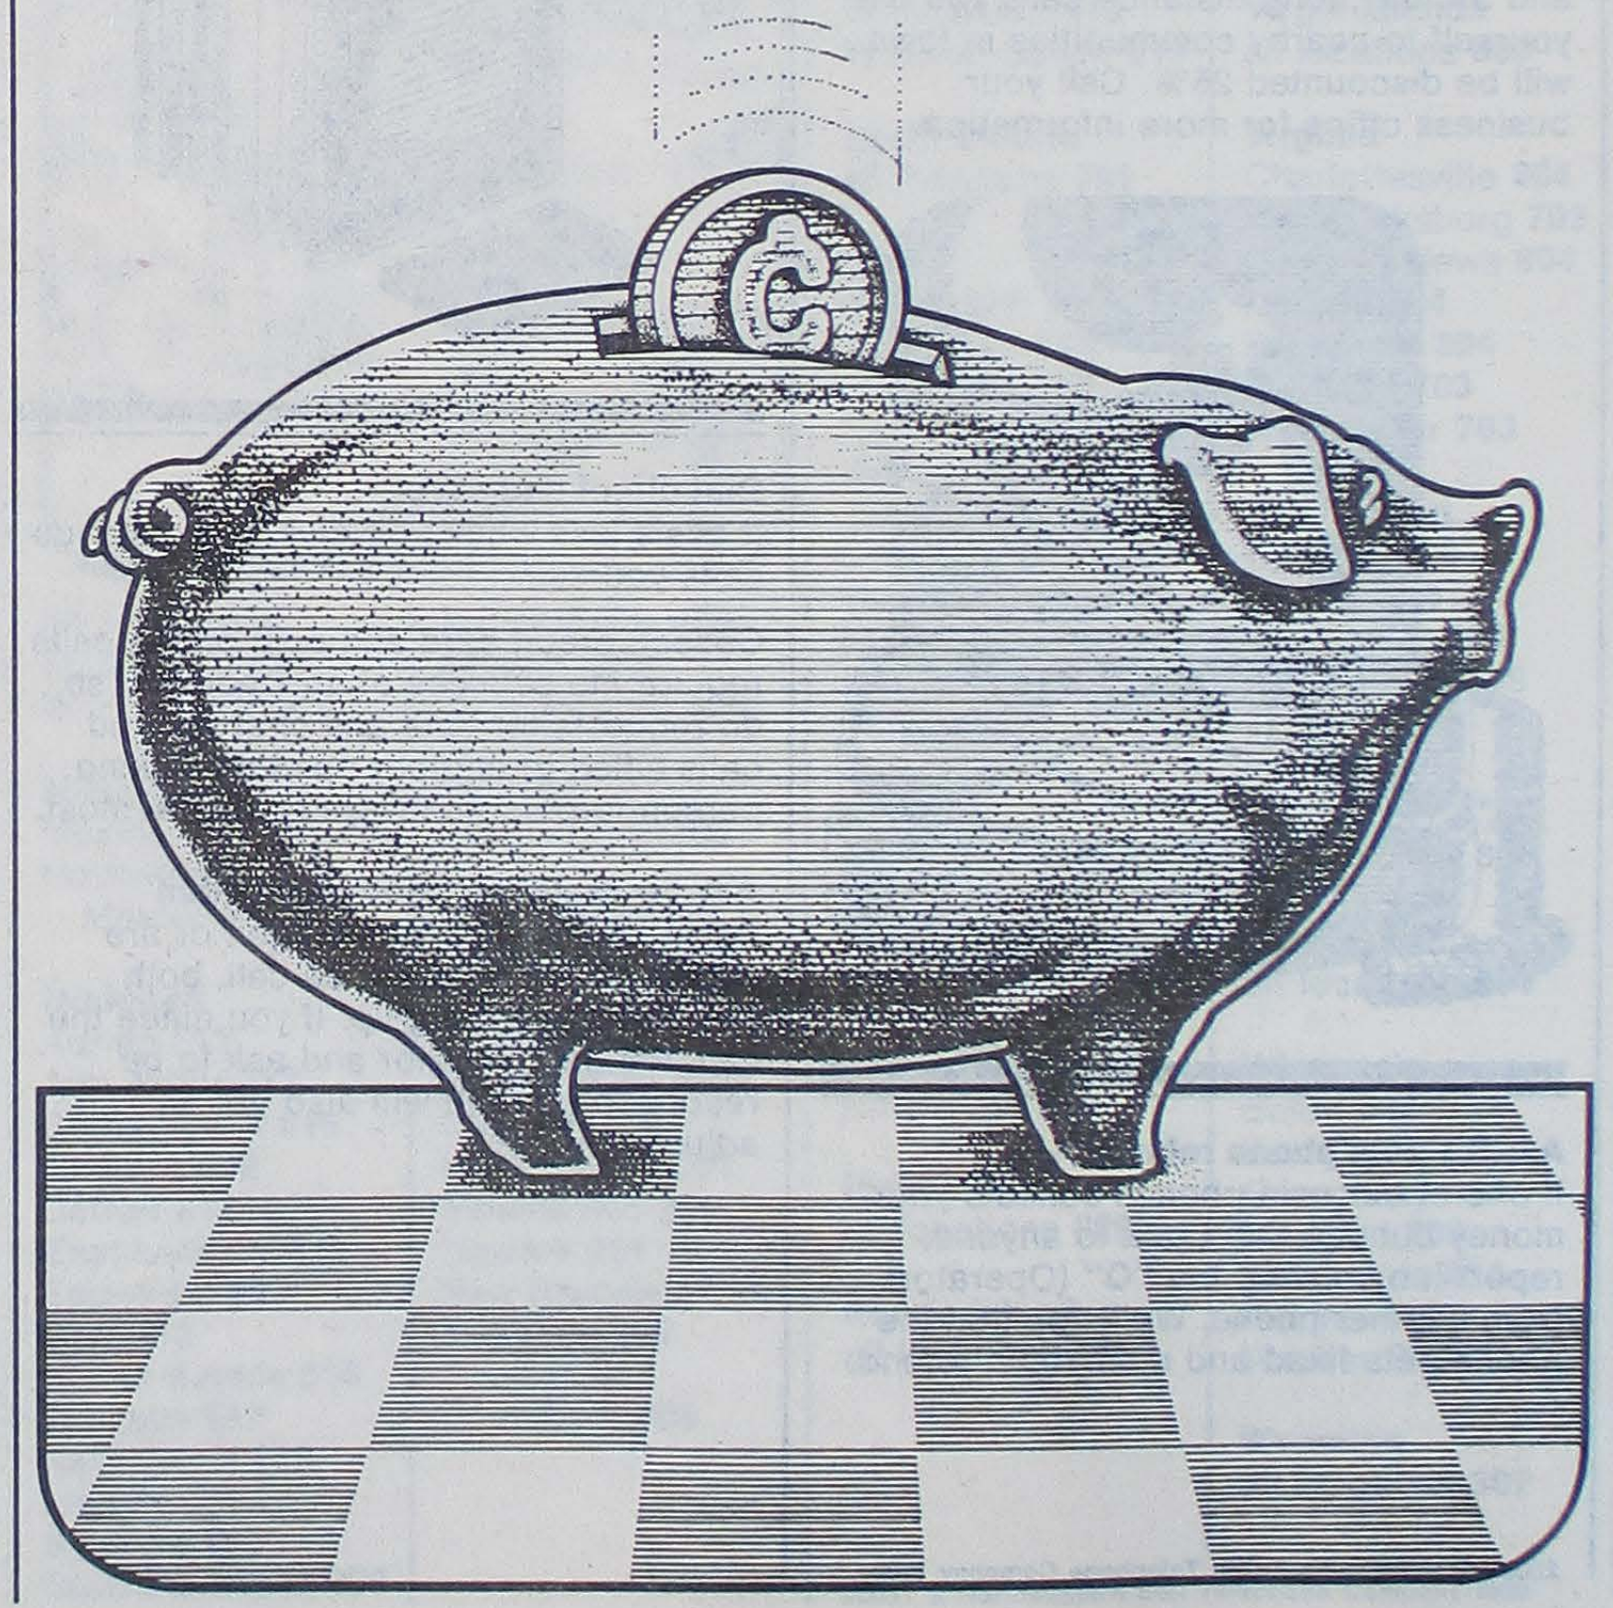

Before making a long distance call to a business in another town, check your directory to see if the business has a toll-free number. If they do, you'll save yourself the price of a long distance call.

Save money on basic service

Choose telephone service that is best for you. Your telephone service representative can help you select what best matches your needs.

Bill problems

It's always a good idea to check your phone bill before you pay it. If you have a question, call your service representative to help you solve the problem.

AMES RESIDENCE SECTION

Including GILBERT, NAPIER

NORTHWESTERN BELL

Karen Lund, Manager 239-9199

TO CALL A PARTY ON YOUR LINE

Two-Party customers dial the listed number then follow procedure below.

Eight-Party customers dial the listed number--a high whistling tone will indicate the telephone called is on your line. Then dial the party code number shown on the number plate on your telephone and follow procedure below.

PROCEDURE--After dialing the number, hang up. Your bell and the bell of the called telephone will ring until the called telephone answers. When your telephone stops ringing, lift your receiver and begin your conversation. If no answer, lift your receiver for a moment and then replace it. This will stop the ringing and will clear the line for other calls.

AMES CIVIC INFORMATION

HISTORY — The village of Ames came into existence in 1864. That same year the Cedar Rapids and Missouri Railroad was extended to the new Story County settlement. This village was named after Oakes Ames, Massachusetts Congressman and railroad promoter, who had financial interest in the CR and Mo. R.R.

The presence of state and federal institutions has been a major factor in the growth of Ames. March 18, 1869 marked the formal opening of the "State Agricultural College and Model Farm". Now Iowa State University of Science and Technology (the name adopted by the 1959 Iowa General Assembly), has an enrollment of approximately 23,000 students.

GOVERNMENT — Ames operates under a Mayor-Council form of government with a City Manager. With this type of city government the City Council consisting of six members sets the policy and the City Manager administers it. The Mayor is elected for a 2-year term. The Mayor presides at Council meetings and is official city host.

PLANNING — The seven City Planning and Zoning Commission members are appointed by the Mayor for five-year terms. Professional assistance is provided by the Planning Division, Department of Community Development. In its functioning, the Commission considers such items as land use, comprehensive planning, zoning, subdivisions, and overall development directed toward the orderly growth of the community. The powers of the Commission are advisory and its recommendations are presented to the City Council.

WATER — From the original well with a pump and elevated wooden water tank, the Water Department has grown to a plant capable of producing 10,000,000 gallons of treated water a day. Storage reservoirs have a 8,750,000 gallon capacity.

MUNICIPAL LIGHT AND POWER PLANT — Ames has had its own municipal light and power plant since 1896. It has been expanded several times to meet the increasing demands of a growing city. The total generating capacity is 81,000 kilowatts.

MARY GREELEY HOSPITAL — A donation from Captain W. M. Greeley in memory of his wife, founded the Mary Greeley Memorial Hospital in 1916. The first addition was built in 1939, the second addition in 1961 brought bed capacity to 160. Another addition completed in 1971 increased the capacity for general acute care for a total of 203 beds.

AIRPORT — The Ames Municipal Airport is located in the south part of the city west of Highway 69. The airport has had direct voice communication with Approach Control in Des Moines since July 1976. The main runway is 3500 feet in length and 100 feet in width. VASI was installed on runway 31 in August of 1979.

FINANCIAL — Ames is served by three banks. Bank deposits as of December 1978 amounted to $146,069,051. There are three savings and loan associations.

COMMUNICATIONS — Ames is served by two local newspapers, one television station, two AM radio stations and four FM radio stations.

PUBLIC SCHOOLS — The school plant is comprised of 16 buildings. Total operation expense for the 1978-1979 year was $10,146,142.

IOWA STATE UNIVERSITY OF SCIENCE AND TECHNOLOGY — Colleges within the University are Agriculture, Education, Engineering Design, Graduate, Home Economics, Sciences and Humanities, and Veterinary Medicine.

A Land-Grant institution, Iowa State has a three-fold function:

1. Resident instruction on both the undergraduate and graduate levels.
2. Extensive programs of research.
3. Extension service throughout Iowa.

The research and service facilities of the University include the Agriculture and Home Economics Experiment Station, Engineering Research Institute, Center for Agricultural & Rural Development, Computation Center, Home Economics Research Institute, Industrial Relations Center, North Central Regional Center for Rural Development, Nutritional Sciences Council, Physiology Council, Research Institute for Studies in Education, Sciences and Humanities Research Institute, Soil Science Institute, Veterinary Medical Diagnostic Laboratory, Veterinary Medical Research Institute, Statistical Laboratory, Energy and Mineral Resources Research Institute, Water Resources Research Institute, and the World Food Institute.

The United States Department of Energy has a major laboratory for basic research on campus, operated as an integral part of the University.

University enrollment for the fall quarter of 1979 exceeded 23,000; the University staff was approximately 6,000.

University land in Ames and throughout the state totals approximately 8,000 acres. University campus and recreation areas total approximately 1,700 acres.

The new South Campus includes the $20 million Iowa State Center; a four-building complex constructed with the use of gifts and student fees; the new football stadium, which was constructed without appropriated funds; and the new Veterinary Medicine Campus.

IOWA DEPARTMENT OF TRANSPORTATION — The Iowa Department of Transportation employs over 4,176 people statewide working with various modes of transportation, regulation, and registration. Nearly 1,300 of its personnel work in the Ames Complex.

NATIONAL ANIMAL DISEASE CENTER — The principal work of the National Animal Disease Center, a facility of the U.S. Department of Agriculture located in Ames, Iowa, is research on the principal diseases of livestock that occur in the United States. This is conducted by the Agricultural Research Unit of Science and Education Administration. At present the staff consists of 80 professional and scientific workers and 220 nonprofessional employees, a total of 300 persons.

The Laboratory was constructed at a cost of $16,000,000 and the annual operating budget is in excess of $5,000,000.

NATIONAL VETERINARY SERVICES LABORATORIES — The National Veterinary Services Laboratories (NVSL) comprise a single scientific facility engaged in the evaluation of veterinary biologics and in the diagnosis of animal diseases. It is administered under the Veterinary Services Programs of the Animal and Plant Health Inspection Service (APHIS), U.S. Department of Agriculture. A key element in support of federal animal health programs, NVSL also assists cooperating state agencies and educational institutions.

A staff of 230 scientific, technical and support personnel currently work in six specialized laboratory units.

AMES BUSINESS SECTION

Including GILBERT, NAPIER

NORTHWESTERN BELL

Karen Lund, Manager 239-9199

TO CALL A PARTY ON YOUR LINE

Two-Party customers dial the listed number then follow procedure below.

Eight-Party customers dial the listed number--a high whistling tone will indicate the telephone called is on your line. Then dial the party code number shown on the number plate on your telephone and follow procedure below.

PROCEDURE--After dialing the number, hang up. Your bell and the bell of the called telephone will ring until the called telephone answers. When your telephone stops ringing, lift your receiver and begin your conversation. If no answer, lift your receiver for a moment and then replace it. This will stop the ringing and will clear the line for other calls.

Bell System Yellow Pages

How to be a better buyer

Millions of people "Let Their Fingers Do The Walking" and shop the Yellow Pages. They find the Yellow Pages an easy, convenient source of telephone numbers and buying information.

As publishers of the Yellow Pages, we want you to be satisfied with our product and to use it frequently. And we know that the best way to do this is to keep your confidence in our directories. We are proud of our record! We will not knowingly accept misleading or unethical advertising. If copy not meeting our standards is found, it is quickly removed.

To help you get greater value in all your buying, we have listed some good shopping tips which are worth remembering.

Price. Service provided after a sale may affect the selling price. Ask if the selling price included delivery, installation and service charges. Also ask about returns and refunds.

Estimates and Receipts. On major purchases, obtain estimates from more than one company. Receipts should be obtained for all payments, as well as for appliances taken from your home or left for repair.

Service and Repair. Check the cost of service calls by telephone When the repair person is on the premises, ask for an estimate of the total cost of repair, then get an itemized bill before paying.

Contracts and Credit Details. Don't be rushed into signing a contract if you are unfamiliar or unsure. Ask for a copy to take home for a careful review. Learn the terms, interest rate, and payment plan. Be sure to retain a copy of everything you sign.

Guarantees. All guarantees and promises should be in writing. Find out who is responsible for carrying out the terms of the guarantee. If there is a registration card, be sure to send it in.

We know that you will find Yellow Pages Shopping a rewarding experience.

It's easy to hold "family get-togethers" by telephone - several members of your family in different cities can take part in the same telephone conversation. Just call the Operator and say, "I want to make a Conference Call."

The Yellow Pages list businesses, services, products and professions under headings arranged to help you find what you want.

Worry-saver tip:

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases, we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

(Continued Next Page)

You can list other members of your household in the telephone book. It will help their friends find them easily. These additional listings are "call insurance" — and they cost very little.

Look in the Book:

For business telephone numbers use the Yellow Pages.

For home telephone numbers use the White Pages.

Bell System Yellow Pages

It's easy to hold "family get-togethers" by telephone - several members of your family in different cities can take part in the same telephone conversation. Just call the Operator and say, "I want to make a Conference Call."

You can list other members of your household in the telephone book. It will help their friends find them easily. These additional listings are "call insurance" — and they cost very little.

Always make sure that the telephone receiver has been replaced properly – that it fits evenly in the receiver cradle and depresses both plungers. Otherwise, incoming calls will be blocked.

Money-saver tip:

Call when rates are lowest

The cheapest times to call long distance if you dial station-to-station are on week nights and weekends. Rate period charts are shown in the Customer Guide at the front of this directory.

Check the front pages of this directory for other useful information about your telephone service.

Money-saver tip:

Shop by phone

You can save time, effort, transportation and even gasoline when you shop by telephone.

Check the front pages of this directory for other useful information about your telephone service.

Money-saver tips:

Call station-to-station

This type of long distance call is lower priced than person-to-person. When you're reasonably sure the person you want to talk to will be there or you'll talk to anyone who answers, call station-to-station. And dial direct.

* * *

Use person-to-person when necessary

There may be times when you don't want to gamble on who will answer a long distance call. To assure getting the right person or extension, call person-to-person.

Check the front pages of this directory for other useful information about your telephone service.

Someone's birthday or anniversary? They'll be delighted to hear your "best wishes" by Long Distance.

Money-saver tips:

On a limited budget?

If you're on a limited budget, you could consider having only one rotary dial telephone for your home. Telephone service without Touch-Tone® dialing or extension phones saves money but sacrifices convenience. However, with one basic phone you do have a variety of colors and wall or desk models to choose from, at no extra charge.

Maybe basic service is the answer

A two-party telephone line costs less than one-party service. You'll have to determine, however, whether the savings is worth the inconvenience of sharing your line with others.

Check the front pages of this directory for other useful information about your telephone service.

It's easy to hold "family get-togethers" by telephone - several members of your family in different cities can take part in the same telephone conversation. Just call the Operator and say, "I want to make a Conference Call."

Worry-saver tip:

Be ready for an
Emergency

Turn to the inside front cover of this book. You'll find a list of numbers to call in case of emergency situations.

You can list other members of your household in the telephone book. It will help their friends find them easily. These additional listings are "call insurance" — and they cost very little.

Money-saver tip:

Call when rates are lowest

The cheapest times to call long distance if you dial station-to-station are on week nights and weekends. Rate period charts are shown in the Call-Guide at the front of this directory.

Check the front pages of this directory for other useful information about your telephone service.

It's easy to hold "family get-togethers" by telephone - several members of your family in different cities can take part in the same telephone conversation. Just call the Operator and say, "I want to make a Conference Call."

Always make sure that the telephone receiver has been replaced properly – that it fits evenly in the receiver cradle and depresses both plungers. Otherwise, incoming calls will be blocked.

Worry-saver tip:

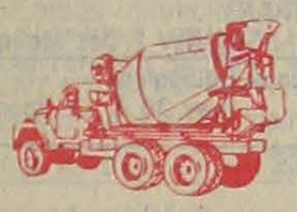

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases, we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

It's easy to hold "family get-togethers" by telephone - several members of your family in different cities can take part in the same telephone conversation. Just call the Operator and say, "I want to make a Conference Call."

Worry-saver tip:

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases, we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

Limited Warranty
The muffler installed on your car is warranted for as long as you own this car. If it should be defective, wear out, or rust out from any cause, it will be replaced at no charge on presentation of certificate of Limited Warranty and the muffler. This Limited Warranty covers only domestic cars and small trucks.

VISA master charge

Midas replaces more mufflers than anybody else.
Here's why. ☐Midasize and you'll never have to buy a muffler for your car again.* ☐Midasize and you'll get the exact muffler made for your car. ☐Midasize and you'll be out in 30 minutes or less.

AMES
232-4153

It pays to Midasize. MIDAS

*If anything goes wrong, even if it wears out, Midas guarantees to replace the muffler free (upon presentation of certificate) for as long as you own your foreign or American car. Foreign car muffler guarantee applies to mufflers installed after October 1, 1978.

One of the most popular paperbacks published is the Bell System Yellow Pages. Virtually no book sells more products and services than Yellow Pages. That's why many advertisers place ads rather than a listing with just a name and address.

You can buy the same contacts.

But not the same care.

What's care?

Extra things.

Like free consultation appointments. A 30-day trial. And help for anyone with a contact lens problem.

Care is all these things, plus professional eye exams.

So shop around.

Then buy your contacts and a lot of extra care.

From International Contact Lens.

Money-saver tip:

Call on holidays

Long distance rates are lower on some holidays. You can take advantage of the discount holiday rate by calling on New Year's Day, July 4th, Labor Day, Thanksgiving and Christmas Day.

Check the front pages of this directory for other useful information about your telephone service.

It's easy to hold "family get-togethers" by telephone - several members of your family in different cities can take part in the same telephone conversation. Just call the Operator and say, "I want to make a Conference Call."

One of the most popular paperbacks published is the Bell System Yellow Pages. Virtually no book sells more products and services than Yellow Pages. That's why many advertisers place ads rather than a listing with just a name and address.

Worry-saver tip:

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases, we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

Money-saver tip:

Call when rates are lowest

The cheapest times to call long distance if you dial station-to-station are on week nights and weekends. Rate period charts are shown in the Call-Guide at the front of this directory.

Check the front pages of this directory for other useful information about your telephone service.

Worry-saver tip:

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases, we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

Money-saver tip:

Shop by phone

You can save time, effort, transportation and even gasoline when you shop by telephone.

Check the front pages of this directory for other useful information about your telephone service.

Dining out, whether for lunch or dinner, is supposed to be a pleasure.
And with us it is. A setting that's unique, with service that's efficient but cordial, and a menu that's our pride.
Steak, seafood, a variety of soups and a perfect complement of vegetables — the food you like at prices you can afford.
Dining out.
When it's with us, you've made a good choice.

Money-saver tips:

Call station-to-station

This type of long distance call is lower priced than person-to-person. When you're reasonably sure the person you want to talk to will be there or you'll talk to anyone who answers, call station-to-station. And dial direct.

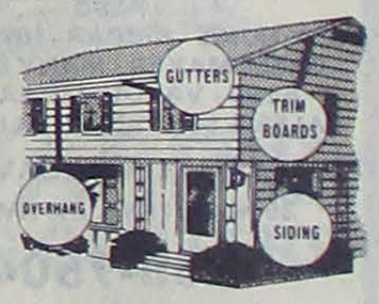

★ ★ ★

Use person-to-person when necessary

There may be times when you don't want to gamble on who will answer a long distance call. To assure getting the right person or extension, call person-to-person.

Check the front pages of this directory for other useful information about your telephone service.

You can list other members of your household in the telephone book. It will help their friends find them easily. These additional listings are "call insurance" — and they cost very little.

Worry-saver tip:

Be ready for an
Emergency

Turn to the inside front cover of this book. You'll find a list of numbers to call in case of emergency situations.

Total systems for business communications . . . from the Bell System team

No matter what your communications needs, chances are Bell professionals have the answers. Northwestern Bell will provide a total system that's tailored specifically to your business. We're equipped to do it . . . because we're part of the Bell System team.

- Fast, reliable products and network services
- Data communications systems
- Counsel on telephone selling, prospecting and collecting accounts
- Systems to help you communicate with customers; from desk to desk, office to office, or city to city

For the system (and the solution to your communications problems), call Northwestern Bell. Ask for the Account Representative specializing in your industry.

Money-saver tip:

Call when rates are lowest

The cheapest times to call long distance if you dial station-to-station are on week nights and weekends. Rate period charts are shown in the Customer Guide at the front of this directory.

Check the front pages of this directory for other useful information about your telephone service.

Trailers–Camping & Travel–Parks

Twin Anchors Camp Ground
Hwy 30 Colo--377-2243

Always make sure that the telephone receiver has been replaced properly – that it fits evenly in the receiver cradle and depresses both plungers. Otherwise, incoming calls will be blocked.

Money-saver tips:

Call station-to-station

This type of long distance call is lower priced than person-to-person. When you're reasonably sure the person you want to talk to will be there or you'll talk to anyone who answers, call station-to-station. And dial direct.

* * *

Use person-to-person when necessary

There may be times when you don't want to gamble on who will answer a long distance call. To assure getting the right person or extension, call person-to-person.

Check the front pages of this directory for other useful information about your telephone service.

Money-saver tip:

Shop by phone

You can save time, effort, transportation and even gasoline when you shop by telephone.

Check the front pages of this directory for other useful information about your telephone service.

Worry-saver tip:

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases, we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

Want to be sure of getting the right product before you buy? Then turn to the heading in these Yellow Pages that describes what you want — under which you'll find someone to help you.

Worry-saver tip:

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases, we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

Worry-saver tip:

Be ready for an
Emergency

Turn to the inside front cover of this book. You'll find a list of numbers to call in case of emergency situations.

Money-saver tip:

Shop by phone

You can save time, effort, transportation and even gasoline when you shop by telephone.

Check the front pages of this directory for other useful information about your telephone service.

Worry-saver tip:

Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases, we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

Check the front pages of this directory for other useful information about your telephone service.

IMPORTANT FACTS FOR PEOPLE IN BUSINESS...

DID YOU KNOW... TWO GROUPS OF *ACTION* BUYERS RELY ON THESE YELLOW PAGES?

BECAUSE . . . they are always available to provide complete buying information at the moment buyers want the products and services you sell.

GROUP I

BUYERS LOOKING FOR A PARTICULAR FIRM. . .

Because:

1. Other satisfied customers have RECOMMENDED you.
2. They have been influenced by your other ADVERTISING.
3. You or your sales people have previously SOLICITED their business, but they weren't ready to buy. Now they are.
4. They're PASSERS-BY who have seen your place of business and were impressed.
5. They're FORMER CUSTOMERS of yours who want to do business with you again.

THESE BUYERS WANT TO DO BUSINESS WITH YOU SPECIFICALLY, AND THEY WILL, IF YOU WILL HELP THEM LOCATE YOU BY MAKING SURE...

1. Your firm can be found under all of the headings which apply to your business.
2. You capitalize on your location or address.
3. You display the slogan or emblem by which your firm is readily identifiable.
4. Your firm is listed by all of its known names.
5. If your firm name has an unusual spelling, feature it prominently.

GROUP II

BUYERS LOOKING FOR ANY FIRM. . .

Because:

1. They're NEWCOMERS to:
   - Your Market Area
   - A Hobby or Sport
   - A Family Situation (Marriage)
2. They're EMERGENCY buyers.
3. They're DISSATISFIED with their present source of supply.
4. They buy INFREQUENTLY.
5. They're seeking COMPETITIVE BIDS.
6. They're TRANSIENTS.

BUYERS SEEKING ANY FIRM TO DO BUSINESS WITH ARE INFLUENCED IN THEIR SELECTION BY CERTAIN FACTORS IN ADVERTISING COPY SUCH AS:

1. Reliability
   Years in business, experience, etc.
2. Authorized Sales & Service
   Brand Names
3. Safety & Protection
4. Complete Details of Service
   Delivery, "Open 24 Hours", etc.
5. Illustrations & Emblems
6. Location

TO REACH BOTH GROUPS PLAN A PROGRAM NOW IN THE *ACTION* MEDIUM...

Bell System Yellow Pages

Call your Yellow Pages representative to plan your program. Look in the Yellow Pages under "Advertising-Directory & Guide."

25051 © Northwestern Bell Telephone Company 1980

LISTINGS: *the most basic form of Yellow Pages Identification*

LISTINGS...IDENTIFICATION...APPLICABLE HEADINGS

Headings in Yellow Pages describe the product, service or profession so that users can find a firm by knowing the phrase or word that describes its type of business

LISTINGS are for IDENTIFICATION under all applicable headings

One Service Listing is provided with business phone service. Additional listings provide the very minimum in complete Yellow Pages identification

Bold Type Listings add prominence to Column Identification

Bold Telephone Numbers add prominence & convenience to Column Identification

Extra Lines provide a means of emphasizing descriptive information

Alternate Call Listings provide additional telephone numbers

Headings Appear In 12 Pt Bold Type

Firm Name In Regular Type
Address---------- 000-0000

FIRM NAME IN BOLD CAPITAL LETTERS
Address---------- 000-0000

FIRM NAME IN BOLD CAPITAL LETTERS
Address---------- **000-0000**

Extra Line Information About
Products or Service
Up To 25 Words

If No Ans Call----------000-0000

TRADE MARK SERVICE: *for Brand Name Identification*

Trade Mark Headings "tie-in" with National Advertising & Promotion

Optional Line

Captions distinguish between manufacturer-dealer-distributor, etc

Dealer Name & Telephone Number in Bold is optional

Telephone Services for Special Needs

Services like the ones listed on this page have helped many people for whom telephone communication would otherwise be difficult or impossible. If you have a problem using your phone, please let us know. A solution may be right on hand. If not, we may be able to arrange for a special combination of services to meet your needs. Just call your local telephone company business office. The number is listed in the Call Guide pages at the front of this directory. We want to help.

If you have trouble hearing

VOLUME CONTROL HANDSET – an adjusting wheel lets you "turn up" the volume of a caller's voice.

BONE-CONDUCTION RECEIVER – for those with conductive hearing loss. The receiver sends sound directly to the inner ear, bypassing the eardrum and the middle ear.

CODE-COM – changes sound into sight signals by a flashing light...and into touch signals by vibrations on a small disk. If signals are coded in a prearranged way – such as dots and dashes – the deaf person can read them by watching the blinking light or feeling the disc with fingertips.

WATCHCASE RECEIVER – enables a deaf person to talk over the telephone with the help of a third person. The assistant listens to the party at the distant end, repeating the words. By reading the assistant's lips, the deaf person knows what's being said.

Signals indicating the phone is ringing

BELLS AND GONGS – are available in a variety of volumes and sound ranges which most people with impaired hearing can hear.

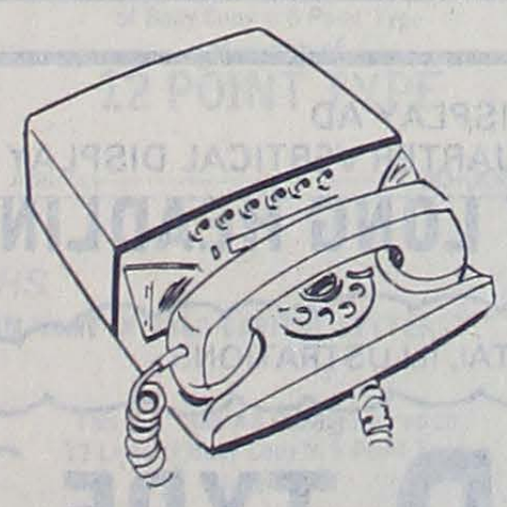

LAMP INDICATOR – a light flashes to let you know the phone is ringing. Designed for those with serious hearing impairments or for locations where loud bells cannot be used.

If you have trouble speaking

ARTIFICIAL LARYNX – substitutes electronic vibrations for the natural vibrations of the voice. Sound is produced when the electronic larynx is placed against the throat.

VOLUME CONTROL HANDSET – an adjusting wheel increases the volume of the speaker's weak voice.

DATAPHONE® DATA SET – links telephones to teletypewriters, facsimile and telewriting devices, and other types of equipment used by persons with physical impairments.

If your vision is impaired

CARD DIALER PHONE – automatically dials a number when a pre-punched card is dropped into the slot.

SIX-BUTTON KEY SET – we'll modify a standard multi-line key phone so a blind person can hear – rather than see – which lines are illuminated.

If you have a motion handicap

SPEAKERPHONE – provides hands-free use of almost any type of telephone. A person can make or answer a call simply by pushing a button, without removing the handset from the cradle.

TOUCH-TONE® SERVICE – even when hands are paralyzed, a pencil or similar aid attached to a cuff or splint can push the buttons of the telephone.

HEADSETS – enable persons with physical impairments to enjoy hands-free communication. Several types are available. Some weigh less than two ounces.

What to do about annoying telephone calls

Here are some suggestions that will help you handle annoying telephone calls and perhaps keep them from recurring.

Annoying sales or survey calls

1. A telephone call is just as personal as a face-to-face conversation. Don't feel obligated to answer questions just because the caller sounds "official." Don't answer questions on the phone you wouldn't answer if they were asked by a stranger on the street.
2. Always find out who is calling; the name of the person and the company he or she represents.
3. If the caller is a salesperson and you aren't interested, say so. Ask the caller to send you all the information in a letter so you can consider it at your leisure.
4. If you don't recognize the name of the company conducting a survey, offer to call back or ask the caller to call you again after you have time to check the firm with the Better Business Bureau.
5. Remember, it's your phone and your time. If you're simply not interested, say so. If the caller is rude enough not to let you go graciously, hang up.

Nuisance Calls

1. Always use the telephone on your terms, not those of the caller. Don't talk to anybody unless you want to.
2. Ask the caller for his or her identity. When a voice asks, "Who is this?" don't answer. Instead, ask "What number did you call?" or "Who do you want?" If the call isn't legitimate, that very likely will end it.
3. Tell your children and their baby-sitter never to talk on the phone to anybody they don't positively recognize. An innocent comment like "Daddy's out of town" could be helpful to a burglar. Teach them to ask for the number so someone can call back later.
4. If the caller remains silent after you answer, *hang up!* Some want to listen, just to see what you'll do, particularly to see if you'll be angry. It isn't much fun listening to a dead line.

Abusive, harassing or obscene calls

1. As with the milder nuisance calls, this caller might remain silent for a little while. Don't give the caller a chance to get started. Hang up!
2. If a caller makes any obscene or suggestive remarks, hang up.

Threatening calls

In this category are the extreme cases—the bomb threats, the threats to life and property, the threats of kidnapping, robbery or bodily injury to members of the family. Sometimes, too, these calls are repeated over an extended period of time to harass and frighten a family. If you are unfortunate enough to be a victim of such a campaign, *call the police and call the telephone company—immediately.*
We will work with you and the police to eliminate the problem.

Persistent annoying calls

If you keep getting annoying calls, apparently from the same person, after you've used the techniques suggested on this page, call the telephone company's business office. We'll do our best to help.
We have representatives who are trained to investigate, and help identify the source of these calls.

How to save time and worry on the telephone

USE AREA CODES.
Avoid calling wrong numbers by dialing the correct Area Code when you're calling outside your own Area Code. Area Codes are listed in the Call-Guide section in the front of this directory.

SHOP BY PHONE.
Shopping by phone can save you time, effort and transportation costs. You'll find most anything you need quickly and easily in the Yellow Pages. Business and professional people are listed by the product and service they provide. Check the Yellow Pages' "Action Index" where subjects are cross-referenced.

ARRANGE FOR A CONFERENCE CALL.
Owe the relatives a call? Call them all at once. The operator can set up a conference call and get you all on the line at the same time. To speed connections, pre-arrange the call. The operator can tell you in advance how much the call will cost.

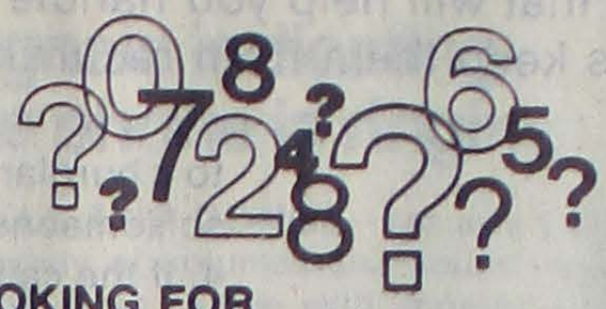

WRITE IN YOUR PHONE BOOK.
You'll find names and numbers easily the second time if you underline or circle them in the directory when you first look them up.

MAKE A LIST.
You can speed the time it takes to get in touch with people if you make a list of the numbers you call frequently.

BEFORE YOU DIG OR TRENCH.
To avoid cutting a buried telephone cable, please call the phone company before you dig. The special number for buried cable locations is listed in the front of this directory. There is no charge, and it may prevent you from knocking out vital telephone service for many people.

LET IT RING.
Give the person you're calling enough time to answer. Wait at least six rings before you hang up.

LOOKING FOR OUT-OF-TOWN NUMBERS?
Ask us for a directory for any city you call frequently. (There is a charge for out-of-state directories.) If you need the number for someone in a distant city, just dial the Area Code for the city, plus 555-1212. To see what time it is in the place you're calling, check the time zones on the Area Code map in the Call-Guide.

NUISANCE OR HARASSING CALLS.
You don't have to listen to pushy sales people. An effective way to stop their annoying calls is to say "no thanks" and hang up. The same "hang up" rule applies for callers who want to harass you or use obscene language on the phone. If these calls continue, call your telephone business office.

RSVP BY PHONE.
It's much faster and easier to answer written invitations by phone. And etiquette experts say it's socially correct.

SHOW YOUR BABY SITTER.
Show your baby sitter where to find phone numbers for fire, police and doctors in case of emergencies. And, of course, leave the number where you can be reached, right beside the phone.

TRAIN THE KIDS.
Teach your children to use the phone properly so they'll be ready in an emergency. Teach small children their phone number; then they can call home if they get lost. Give them change to carry for emergency calls.

IN CASE OF EMERGENCY:
You can be ready for any home emergency if you write down phone numbers for police, fire, ambulance and doctors — and keep these numbers close to your phone. You'll find emergency numbers on the inside front cover of this directory. If, however, the number isn't handy in an emergency, dial "O" (Operator) for assistance. Operators are on duty any time, day or night, to help you.

HAVE A SPECIAL NEED?
Your telephone company may be able to provide special phone services if you have difficulty using standard telephones. There are phones for people with sight, speech or hearing problems; phones for those who have limited arm and hand movement; and phones which can be adapted for use in special locations by wheel chair or bed patients. Check with your local business office for availability and details.

PUT YOUR PHONE NUMBER ON STATIONERY.
Make it easier for friends and business people to get in touch with you by having your phone number and Area Code printed on your letterhead and memos.

TO HAVE YOUR PHONE REPAIRED.
When you have trouble with your telephone, call Repair Service. The number is listed in the Call-Guide of this directory. However, Northwestern Bell does not repair customer-provided telephone equipment.

JEWELL

NORTHWESTERN BELL TELEPHONE COMPANY

M. C. Johnson, Manager
832-9900 (Call Webster City Collect)

Your complete telephone number is needed on long distance calls-both to and from Jewell-and whenever you give your number to others. However, on local calls to other Jewell telephones, the first two numbers-82-may be omitted.

HOW TO CALL ANOTHER PARTY ON YOUR LINE

Two-party customers dial 421.

After dialing the number hang up. Your telephone and the called telephone will ring until the call is answered. When the ringing stops, remove receiver and start your conversation. If no answer, remove receiver for a few seconds and then replace it to stop the ringing.

GENERAL TELEPHONE

TO CALL A PARTY ON YOUR LINE

If on repeated attempts to call a number the line is always busy it may be that the called number is on your line. Or if it is known that the party you wish to call is on your line, and you wish to call that party, proceed as follows:

1. Lift your receiver and listen for dial tone.
2. Dial 99 and directory listed number.
3. After dialing you will hear the busy tone. Then replace your handset. Allow a reasonable length of time for other party to answer, then pick up your handset and talk.
4. When the party you are calling answers, he will hear a 'ticking' sound which indicates that he should wait for calling party to speak.
5. If the called party does not answer, replace your handset.

Telephone Services for Special Needs

Services like the ones listed on this page have helped many people for whom telephone communication would otherwise be difficult or impossible. If you have a problem using your phone, please let us know. A solution may be right on hand. If not, we may be able to arrange for a special combination of services to meet your needs. Just call your local telephone company business office. The number is listed in the Call Guide pages at the front of this directory. We want to help.

If you have trouble hearing

VOLUME CONTROL HANDSET – an adjusting wheel lets you "turn up" the volume of a caller's voice.

BONE-CONDUCTION RECEIVER – for those with conductive hearing loss. The receiver sends sound directly to the inner ear, bypassing the eardrum and the middle ear.

CODE-COM – changes sound into sight signals by a flashing light...and into touch signals by vibrations on a small disk. If signals are coded in a prearranged way – such as dots and dashes – the deaf person can read them by watching the blinking light or feeling the disc with fingertips.

WATCHCASE RECEIVER – enables a deaf person to talk over the telephone with the help of a third person. The assistant listens to the party at the distant end, repeating the words. By reading the assistant's lips, the deaf person knows what's being said.

DATAPHONE® DATA SET – links telephones to teletypewriters, facsimile and telewriting devices, and other types of equipment used by persons with physical impairments.

Signals indicating the phone is ringing

BELLS AND GONGS – are available in a variety of volumes and sound ranges which most people with impaired hearing can hear.

LAMP INDICATOR – a light flashes to let you know the phone is ringing. Designed for those with serious hearing impairments or for locations where loud bells cannot be used.

If you have trouble speaking

ARTIFICIAL LARYNX – substitutes electronic vibrations for the natural vibrations of the voice. Sound is produced when the electronic larynx is placed against the throat.

VOLUME CONTROL HANDSET – an adjusting wheel increases the volume of the speaker's weak voice.

If your vision is impaired

CARD DIALER PHONE – automatically dials a number when a pre-punched card is dropped into the slot.

SIX-BUTTON KEY SET – we'll modify a standard multi-line key phone so a blind person can hear – rather than see – which lines are illuminated.

If you have a motion handicap

SPEAKERPHONE – provides hands-free use of almost any type of telephone. A person can make or answer a call simply by pushing a button, without removing the handset from the cradle.

TOUCH-TONE® SERVICE – even when hands are paralyzed, a pencil or similar aid attached to a cuff or splint can push the buttons of the telephone.

HEADSETS – enable persons with physical impairments to enjoy hands-free communication. Several types are available. Some weigh less than two ounces.

IOWA STATE UNIVERSITY
of Science and Technology

STAFF AND RESIDENCE HALLS DIRECTORY

EMERGENCY CALLS FROM CAMPUS TELEPHONES

FIRE	Dial 9, then 911
POLICE	Dial 9, then 911
AMBULANCE OR MEDICAL EMERGENCY	Dial 9, then 911
UNIVERSITY SECURITY	4-4428

INFORMATION FOR LOCAL TELEPHONE NUMBERS, FROM CAMPUS TELEPHONES

For campus numbers	8 A.M. to 5 P.M. Dial Operator
For student numbers	8 A.M. to 5 P.M. Dial Operator 5 P.M. to 11 P.M. Dial 4-4357
For off-campus numbers	Dial 9, then 1411

YOUR UNIVERSITY HAS A MODERN TELEPHONE SYSTEM CALLED CENTREX

Centrex service is easy to use—

- **To call another campus telephone, just** dial the last five digits of the listed number.
- **To call an off-campus telephone,** dial 9, then dial the listed number.
- Off-campus callers and out-of-town callers can dial direct to University telephones without going through a central switchboard by dialing the complete 7-digit number.

YOU CAN DIAL ALL YOUR OWN LONG DISTANCE CALLS FROM RESIDENCE HALL PHONES

See page 14 in the front of the directory for complete dialing instructions.

WHEN YOU DIAL A LONG DISTANCE CALL, IT WILL BE AUTOMATICALLY CHARGED TO THE RESIDENCE HALL TELEPHONE YOU ARE USING.

STUDENT RESIDENCE HALL BILLING

Northwestern Bell will send a statement of long distance calls to residence hall rooms about the 20th of each month. Each room resident will be responsible for his or her own calls, but it may be convenient for one roommate to collect for the calls the others made and pay the entire bill. Payment is due when bill is received and past due by the 1st.

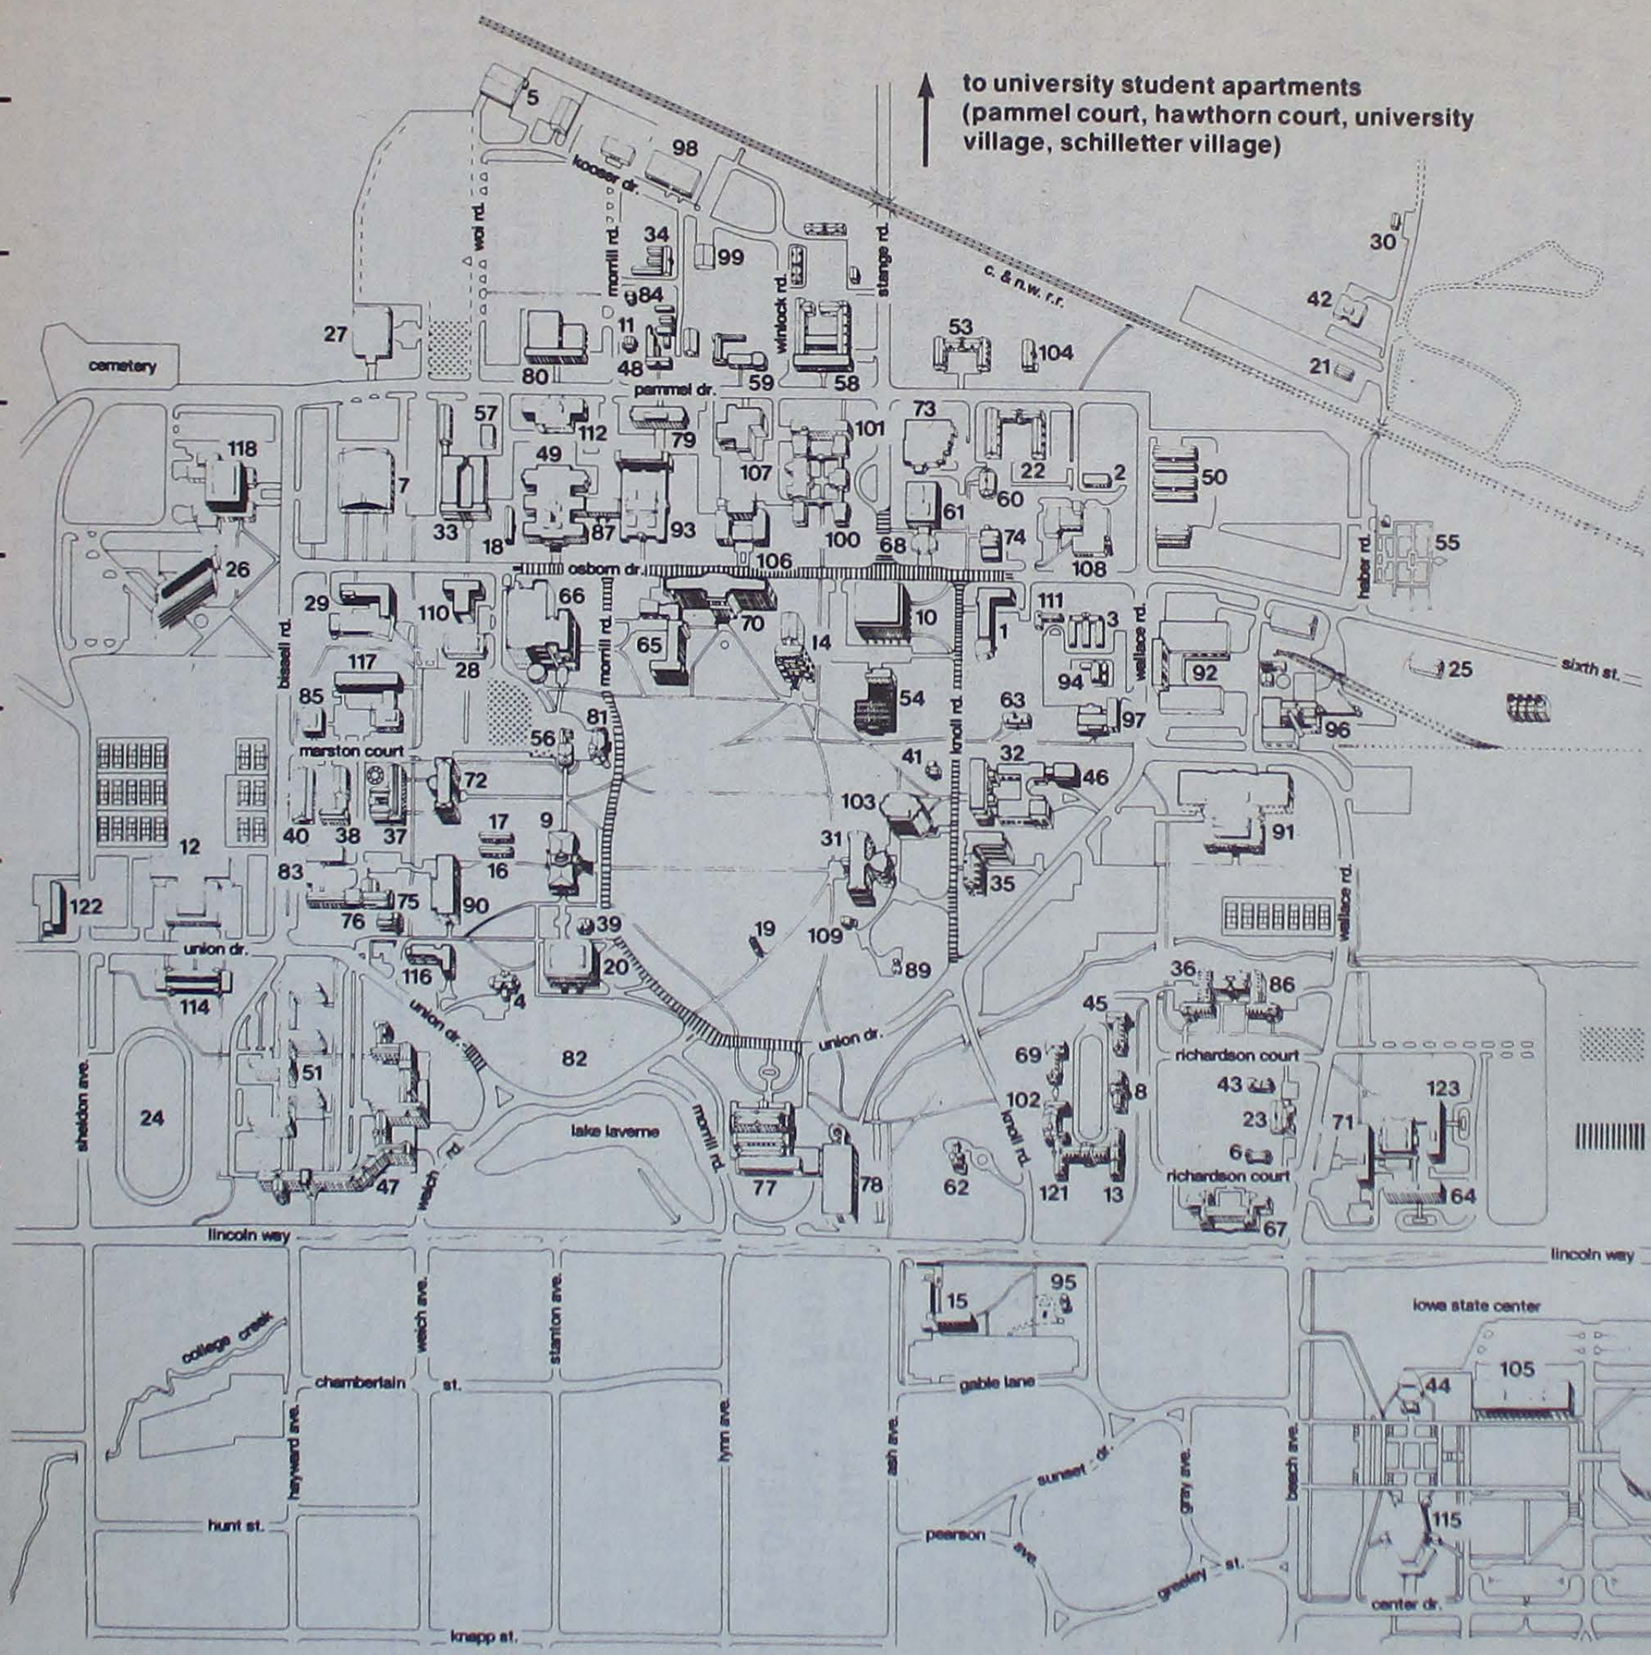

Payments can be made by mail, in person at the telephone business office, 509 Main or in person at our payment agency listed below:

CAMPUS BOOK STORE
2300 Lincoln Way

THE STAFF AND RESIDENCE HALL LISTINGS IN THE FOLLOWING SECTION HAVE BEEN FURNISHED BY IOWA STATE UNIVERSITY AND ARE PUBLISHED THROUGH THE COURTESY OF NORTHWESTERN BELL TELEPHONE COMPANY.

UNIVERSITY

When you're far away...

long distance brings you close
to home and office.

THE EASY WAY TO KEEP IN TOUCH

...by using your phone away from home

low-cost way to free the family phone:

add a TEEN TELEPHONE line

Nothing can tie up a telephone like a teenager. Give your favorite teens privacy and responsibility with a teen line of their own. They'll have their number listed in the directory, too. Teen line—a perfect gift for any occasion. Call the business office or ask a telephone company employee.

Smalling 3-31-14

Errands?
Visits?
Plans?

Your telephone—one of the most essential services in your home—is ready to help you get things done . . . ready to take your voice anywhere, anytime.

names 'n numbers

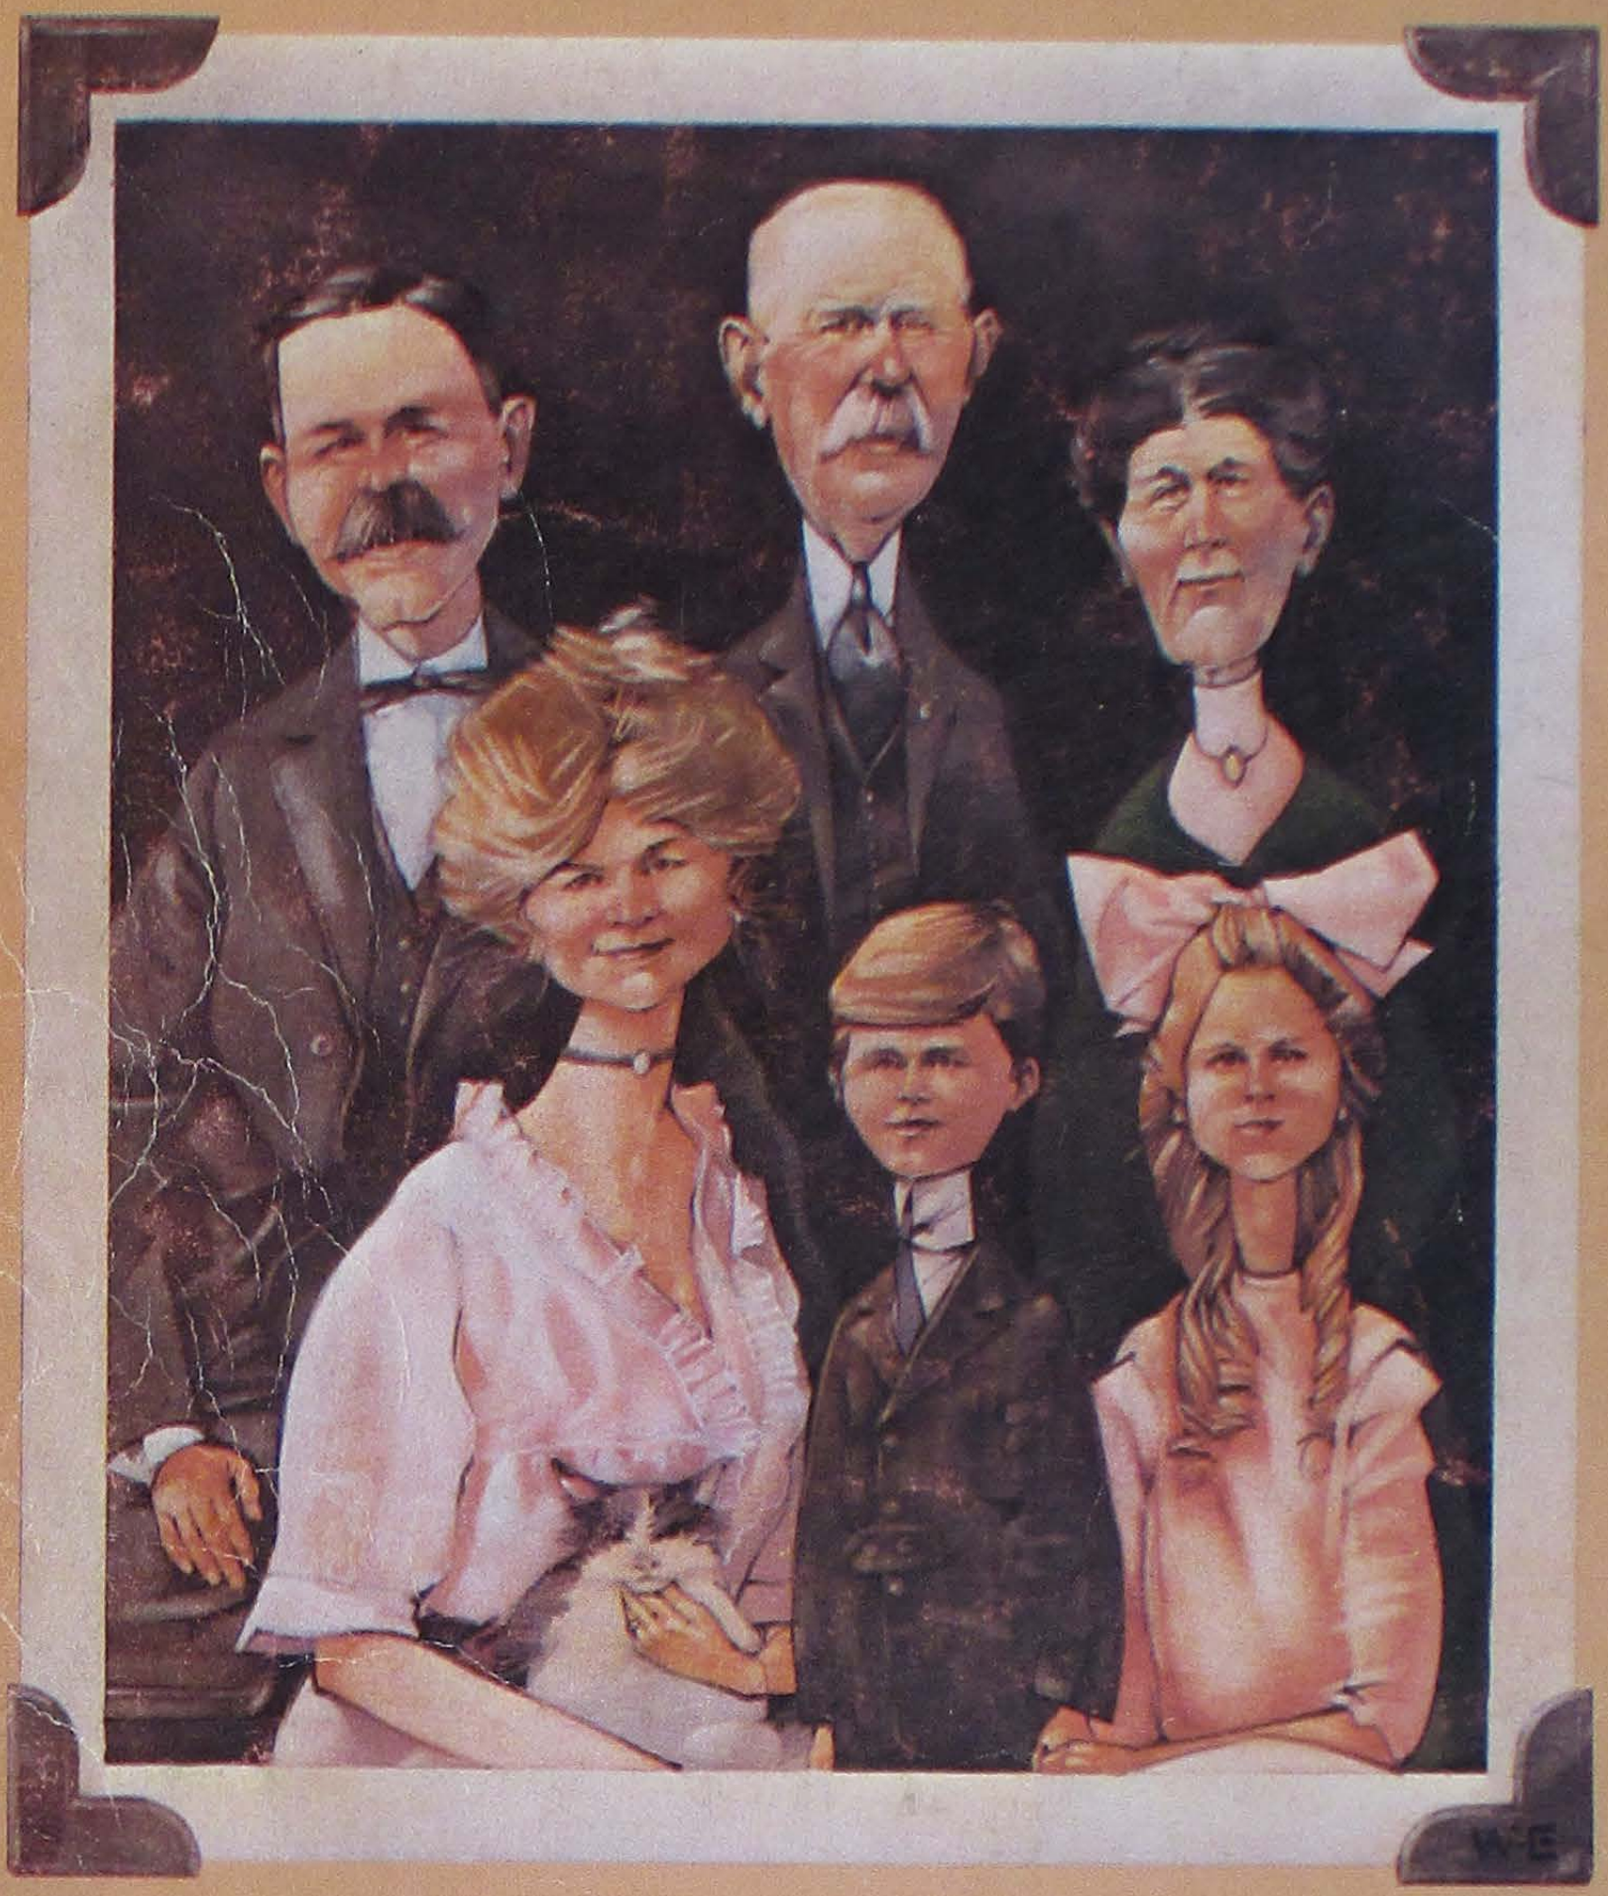

There's room on this page to write telephone numbers of friends, neighbors, babysitters, doctors and other people you call from time to time. We hope you'll write all over it . . . and keep it handy.

By using your telephone directory to find numbers and then jotting them down on this page, you'll save yourself time and help hold down the cost of telephone service.

	AREA CODE	NUMBER

Stay close to distant relatives.

If your family is scattered far and wide, you can help them all stay a little closer . . . with Long Distance Gift Certificates. Gift certificates are payable to any telephone company in the U.S., so they're almost as good as money. But they're so much nicer. Because they encourage people to share the good feelings that come when you reach out and touch someone by long distance. Each gift packet contains four $5 certificates.

Long Distance Gift Certificates — the special gift for special people you'd like to hear from more often.

To order, simply call this toll-free number:

1-800-228-7040.

Or contact your local telephone company business office.
